Leaders In Area Urge Location Of College In South Cook County

Here We Go (Up) Again!

Sloppy Grooming, Poor Grades Go Hand In Hand, Says School Head

Following a careful analysis of student grades and discipline problems during the past two years, Supt. W. O. Fisher, of Carl Sandburg high school, found that students who attended school with freak haircuts, no belts, T-shirts, and generally improperly dressed were prone to be discipline problems and also to be as careless with their school work as their appearance.

In view of this marked correlation, Supt. Fisher announced in a student assembly that no student would be allowed to attend classes with "freak haircuts", no belts, T-shirts or sport shirts not properly buttoned. All students with steel plates on the heels of their shoes are asked to remove the plates. Any high school student who arrives at high school improperly dressed will be given the choice of proper grooming or returning home until he can comply with the regulations.

Careful observation has revealed that at student affairs, the better the grooming the less the problems encountered with student action. One of the first signs of deteriorating student interest in school becomes evident in sloppy dress and appearance, it was said.

The cooperation of parents in helping to see that their sons or daughters have normal haircuts and are properly dressed when they leave for school will not only help the high school discipline problems but will also help their sons and daughters in the learning process, school officials pointed out.

Father, 4 Children Escape Death in Car-Train Collision

A father and his four children narrowly escaped death when their automobile was struck by a train Wednesday, Sept. 4, at a railroad crossing on Harlem ave., near Sauk Trail. The car was totally demolished.

Most seriously injured is the father, Lawrence Griffin, of 80th ave., Lincoln Estates, who sustained chest injuries and severe facial injuries.

His two daughters, Dawn and Lisa, were released the same day from St. James hospital, Chicago Heights, where the family were taken following the accident.

The other injured members of the family are sons Lawrence, whose only injury is a bruised knee and Ricky, who suffered a broken thumb and slight concussion.

The Griffin automobile was traveling south on Harlem ave. when the collision occurred. The crossing is unguarded and without signal lights.

Plan Band For Mokena School

A school band, as a part of the music program, is planned for the Mokena public school for students in grades five thru eight.

In order to acquaint them with the proposed program parents interested and their children are invited to attend a meeting in the school at 7:30 o'clock tonight Sept. 12.

The new band director, Perry Friedman, and members of the educational department of a music house will be present to entertain and discuss each child's potentiality in playing a musical instrument and participation in the school band.

The vocal program will be handled by Glenn Miers.

Various musical instruments will be on display. The principal, Mrs. Elizabeth Cappel and members of the faculty will be on hand to greet parents and children.

Adult School Registration at L-W Is Sept. 19

Registration for adult classes at Lincoln-Way will be held the evening of Sept. 19 and classes will begin Thursday night of the following week. According to present plans classes will be conducted in vocational agriculture, home economics, art and business.

The business course will include typing, shorthand and investments.

Two courses will be offered in vocational agriculture: farm tractor and machinery maintenance and farm welding.

The home economics class will be in the field of clothing construction.

The art course will be designed for a variety of interest ranging from teachers who desire more information on elementary art work to adults who want to "dabble" in a particular art field. Persons who have questions about this course should consult Mr. Kinney.

The fee for each course will be ten dollars and the classes will meet one night a week for a two hour class over a ten week period. Registrations can be made by mail and should be addressed to "Director of Adult Education, Lincoln-Way high school. A bulletin with more details will be mailed to all Box-holders in the very near future.

Civic Association to Meet Tuesday Night

The next regular monthly business meeting of the Mokena Civic Association will be held Tuesday night, Sept. 17, at the VFW hall at 8 o'clock. The officers of this group urgently request everyone to turn out for this meeting to discuss the various civic problems and also hear a report on the newly organized Mokena Teen club.

Lincoln-Way FHA Will Wash Cars to Raise Group Funds

The group of young ladies, members of the Future Homemakers of America at the Lincoln-Way high school are real ambitious. They must raise some money for their organization.

To do this, they are calling all dirty cars and offering to make them look like new by way of a good bath.

Members of the FHMA will be at the Florey gas station in Mokena, Saturday, Sept. 14 from 8:30 a.m. to 5 p.m. and they are hoping many cars will be brought to them to wash. "Calling All Cars, Calling All Cars!"

Ever noticed how dogs win friends and influence people without reading books?

Six Area Residents Summer Graduates At Univ. of Illinois

Six area residents are among the 833 summer graduates of the University of Illinois who are now awaiting receipt of their diplomas.

Because there is no summer commencement ceremony, preparation of diplomas is held up until all grades are in and checked. Diplomas will be mailed as soon as they are ready and it is expected that all will be out by mid-October or soon thereafter.

Of the 833 summer graduates 382 will receive bachelor's degrees and 451 advanced degrees. Those in this area to receive degrees are:

Robert J. Zuzag, 1119 N. Center, New Lenox, bachelor of science; Mary E. Wagner, Rt. 2, Manhattan, a master's in education; Charles E. Peterson, 166th and LaGrange rd., Jane A. and Joan R. Robert, 15200 S. 108th ave., Orland Park, each a bachelor of science, and Robert W. Trevarthen, 17056 Elm Lane Drive, Tinley Park, a master's in science.

Open Letter To Residents Of Frankfort

CITIZENS OF FRANKFORT:

It is in sympathy for the boys of Frankfort that I write this letter. In planning for a local Boy Scout Contest to be held in this area the scout leaders of Mokena and New Lenox were concerned with the fact that Frankfort would not be represented because they do not have a Boy Scout troop to send.

I would like to take this opportunity to invite the village fathers of Frankfort; parents of boys of Scout age (11, 12, 13) along with their sons; members of community organizations that could sponsor a scout unit; and all interested persons to come to the Community Park the week end of Sept. 13, 14 and 15.

Scout troop 40 of Mokena and Troop 49 of New Lenox are holding a "Wing Ding" a scouting program consisting of camping, tent pitching, fire building, wood chopping, wood carving, bow and arrow tiger hunt, etc. This list could go on and on, but it will certainly give you some idea what the boys of Frankfort are missing. Unable to participate, for one reason only, Frankfort has no Scout troop.

Come and see us maybe you will receive some ideas. Maybe we can help you get a troop started.

Yours in Scouting,
(Signed) Arthur O. Omland,
Scoutmaster Troop 40
Mokena.

The first dirigible trip around the world was made by the Graf Zeppelin in 1929.

A move to enlist the support of all residents of South Cook county and adjacent areas in Will for location there of an undergraduate branch of the University of Illinois, has been launched by the Regional Association of South Cook-Will County Municipalities.

Two meetings were held last week at Olympia Fields golf club to further the project. One was held in the form of a dinner Thursday night attended by industrialists and the other was a luncheon meeting Friday for newspaper publishers in the region. Bill Williams, publisher of the Chicago Heights Star, was host at the luncheon.

Industrialists and publishers alike endorse the plan. The Association also is meeting with municipal officials, Chamber of Commerce, clergy and various service clubs and other organizations to enlist their support.

Excellent Transportation

A report on the need of a college in the south area and the advantages such as location would have from a transportation standpoint will be filed with the board of university trustees by Sept. 20. Legislators in the region are to meet with Association officials Sept. 21 with the idea of getting support.

An appropriation of a million dollars has been made by the legislature to purchase a site for the branch university but there has been a strong effort to locate it in the northern section of Cook county.

The Association points out there are no colleges south of 63rd st. in the south end of Cook county. North of this line there are 35 colleges.

Plans call for a 300 acre campus in a location where an additional 300 acres would be available for residential and (Continued on Page 2)

Mokena Teen Club To Elect Queen for Dance Sept. 28

The Mokena Teen club is to give a dance at the Veterans of Foreign Wars hall, Wolf road, the night of Sept. 28 and in conjunction with this affair a Teen queen is to be chosen.

The Mokena Teen club was recently organized with the aid of the Civic Association and while it has had a number of parties and meetings the dance Sept. 28 and queen contest is its largest affair to date.

The party is not limited to teenagers. Adults are invited and those in charge are hopeful of a large turnout of grown-ups.

Tickets for the dance may be purchased from any of the Teen club members and at all business houses in Mokena. Music will be provided by the Teen tones, made up of musicians who belong to the club under the direction of Norval Robinson.

There are five candidates for queen, Patty Dath, Carolyn Schwartz, Carol Marti, Carol Seckendorf and Sandy Swinford. Votes are selling at five cents each.

Prizes will be awarded at the dance.

Earl Moss Wins Hawaiian Trip In Sales Competition

Mr. and Mrs. Earl Moss of New Lenox are to leave for Hawaii Sept. 21 for a vacation that will not cost them any money.

Because of the sales record in tractors, combines and balers piled up by Mr. Moss, of the Moss Equipment Co., New Lenox, he and his wife have been awarded an expense-paid trip to the Islands.

Mr. Moss reached 160 per cent of a quota established in a sales campaign by International Harvester company. The company will be host to the Moss' during their stay in Hawaii and at Los Angeles where the national convention of Retail Farm Equipment association will be in session.

The Moss' will make the Hawaiian trip by plane and will be gone 12 days.

Both are heavily traveled by heavy trucks and as a result need a lot of patching.

U. S. 30 is a narrow road thru Will county and in great need of widening, it has been pointed out. There has been talk that the state has been considering laying another road so that Route 30 would have four lanes thru Will county but the state has not committed itself.

The plan of the federal government to build a new coast-to-coast highway which would pass thru the south fringe of Tinley Park and then proceed north of Mokena and New Lenox and enter Joliet on the south east side, could result in the abandonment of sections of U. S. 30, it was said, but there has been no official pronouncements

to that effect.

Right now the state is proposing intermittent bituminous resurfacing and patching on Routes 6 and 30, east of Joliet over a total of four and a quarter miles.

For the first time in our history, a majority of our populations is enrolled on some church roster.

LEADERS IN AREA—

(Continued from Page 1)

commercial purposes, and serve as a buffer against encroachment by industry.

Easily Accessible

The University of Illinois has maintained a two-year undergraduate branch at Navy Pier for several years but it has to abandon this location, hence the search for a new site.

The Regional Association points out that highways, trains and bus routes will make it easier for students to attend a college located in South Cook county than to battle city traffic in going north. Students would be traveling south out of Chicago when the morning traffic is heading north, and vice versa in the afternoon. Traffic south of Cook county would not be a problem, it was said.

The University of Illinois is overcrowded and a northern branch of sufficient size to reduce the congestion at Champaign-Urbana is a necessity, educational authorities agree. The question is the location of this branch.

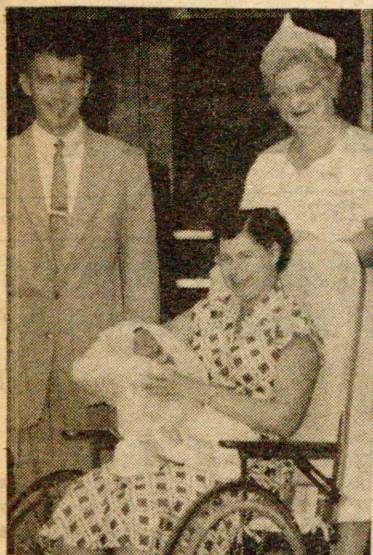

Can Write Legislators, Trustees

The Regional Association is asking public support of its plan to locate the branch in South Cook county. The public is asked to write the legislators and the university board of trustees and urge action favorable to the South Cook county plan.

Trustees of the university are, Park Livingston, LaGrange; Doris Simpson Holt, Flora; Cushman B. Bissell, 220 E. Walton Place, Chicago; Frances Best Watkins, 5831 Blackstone ave., Chicago; George Wirt Herrick, Clinton; Kenney E. Williamson, 752 Moss ave., Peoria; Wayne A. Johnston, 135 E. 11th Place, Chicago; Timothy W. Swain, 3820 Bigelow st., Peoria and Earl M. Hughes, Rt. 1, Woodstock.

The state senators serving Will county and Bremen and Orland townships in Cook are Lottie Holman O'Neill, 741 Sum-

mit st., Downers Grove., and ran, 25 N. Ottawa st., Joliet; Frank M. Ozinga, 9626 S. Homan second district, Bremen and Orland townships, Terrel E. Clarke 4065 Garden ave., Western Springs; Harold A. Hoover, 122nd Place and 86th ave., Palos Park and Frank B. Downey, 5085 Lamb Drive, Oak Lawn.

Scout "Wing Ding" Begins Tomorrow Night

Final plans have been made for the Boy Scout "Wing Ding", to be held in the Mokena Community park, tomorrow, Saturday and Sunday.

The Scouts will camp out, Friday and Saturday night, cook their own meals and spend most of the day light hours in scouting competitions.

A pioneering project is planned, but its nature and size is being kept a secret.

Troop 49 of New Lenox and troop 40 of Mokena have joined forces to provide the scouts with an opportunity to participate in the following scouting skills. First aid, ten peg making, compass, nature, fire building, knot tying, water boiling, wood chopping, pup tent pitching, edible wild plants, flap jack relay, wood carving, fire by flint and steel and a trailing, stalking, Morse code and tiger hunt combination that promises to be an all time first in this council.

Parents are invited to spend a pot luck Sunday noon meal with the scouts. Any interested spectators are invited for the day light hours and campfire on Friday and Saturday evening.

Bids Due Tuesday On Repairs to Routes 6 and 30

The state highway department is scheduled to take bids next Tuesday, Sept. 17 on resurfacing and repair of U. S. Routes 30 and 6 between Joliet and the Cook county line.

Both highways are in need of repair, especially in this area.

Weddings, Engagements, Clubs, Women's Activities

Ceramics and Painting Classes at Center Foundation to Open Oct. 1

The fall series of classes in painting and ceramics will open at the Community Center Foundation the first week in October. This marks the fifth year of ceramics and the third of painting offered at the Foundation under the guidance of Mrs. Howard

Fish of Orland Park and Mrs. Marvin Kutchinski of Palos Heights. Both are talented artists as well as qualified and experienced teachers. Mrs. Fish holds a degree in Art Education from the University of Wisconsin and was art supervisor for the Madison, Wisconsin schools. Mrs. Kutchinski studied at the Chicago Art Institute and was a student of George Buehr.

The evening class in painting will meet on Tuesday, Oct. 1 from 7:30 to 9 and will continue each successive Tuesday for ten weeks. The afternoon class will meet on Thursday, Oct. 3 from 1:30 to 3 and continue for ten weeks. Instruction has been arranged so that both beginners and advanced students can receive individual attention during the same class periods. The principles of art and introduction to the various painting mediums will be included in the course. The student will be permitted to choose his own medium for carrying out his assignment.

Will Exhibit Work

Ceramics classes will be held on Wednesday afternoons and evenings starting on Oct. 2. The afternoon hours are 1:30 to 3 and the evening 7:30 to 9. The Foundation has a professional type kiln in which the class pieces are fired.

All members of the classes will be privileged to exhibit at the Foundation Open House which will be held in May. The first such exhibit held last spring was attended by approximately 300 persons from throughout Chicagoland.

Also exhibiting in May will be members of the summer class in landscape painting which met throughout the summer. Field trips for all day painting sessions provided a variety of landscape material. These included an amusement park, the zoo, the oil refinery in Blue Island, a garden in Palos Park, the McCook quarry, the Foundation farm and many spots on the Foundation grounds.

Youth Caravan Speaker Is On WSCS Program

When the Woman's Society of Christian Service, Tinley Methodist church met last Tuesday evening, they heard Miss Lucille Brandau speak and show colored slides which she had taken on the recent Methodist Youth caravan six week tour.

Miss Brandau, a junior at DeKalb State Teacher's college, was selected along with 150 young people in the United States to participate in the organization and assistance to Methodist Youth groups. Her caravan toured the Carolinas.

Devotions for the evening were given by Mrs. Nicholas Schullien. To fill several vacancies in chairmanships, Mrs. Charles Kelly was elected to vice president and program chairman; Mrs. Mildred Balhizer for missionary education and service and Mrs. Robert McKenzie to secretary of youth work.

Announcement was made of the fall rally for Chicago Southern district which will be held Oct. 16 at Auburn Park Methodist church at 8 p.m.

Also scheduled is a luncheon in the Zion Lutheran church hall Sept. 19 thru the courtesy of the Ladies Aid there, as the Methodist social hall is in the process of construction. Tickets may be obtained from any

Marion Nelson, Harry Geyer to Wed In October

Mr. and Mrs. Arthur L. Nelson of New Lenox announce the engagement and approaching marriage of their daughter Marion Lee, to Harry Robert Geyer, son of Mrs. Kathryn Geyer of Van Nuys, Calif.

The couple will exchange vows the evening of Oct. 26 at 7:30 o'clock in the New Lenox Methodist church. The Rev. Geo. Martin will officiate at the service.

The reception will be held that evening immediately after the ceremony in the church dining room. Invitations will be sent, but all friends and relatives are invited to attend both the ceremony and the reception.

A graduate of Lincoln-Way high school, Miss Nelson attended Northern Illinois State university, and is now employed at the American National bank, Chicago. Mr. Geyer, who was graduated from Hollywood high school, spent four years in the service, and is now employed at the Argonne Laboratory, Lemont.

Tea To Aid Sisters At Children's School In Orland Sept. 15

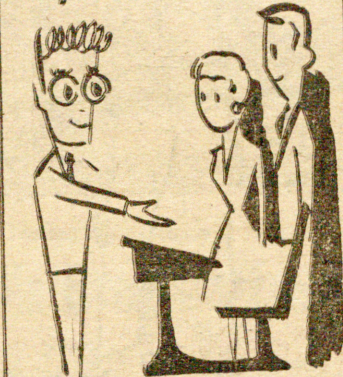

A Tea for Sisters of the St. Joseph P. Kennedy School for Exceptional Children will be given by the St. Michael's Guild, of Orland Park, on Sunday, Sept. 15 from 2 to 5 p.m. in the school auditorium.

All Guild members are requested to act as hostesses.

At the meeting on Sept. 19, the Guild will make final plans for the Simplicity Fashion Show and alphabet luncheon. Tickets for the luncheon to be held Tuesday Oct. 15, will be distributed at this meeting. Tickets may be purchased from any Guild member or by calling Mrs. Laurence McBride at FI 9-0237.

Eearly New England women bleached their sheets by spreading them with sour milk and putting them in the sun.

EDDIE the EDUCATOR says

The parent with a child in school for the first time needs lots of aid in understanding about the school.

Illinois Education Association

WSCS member.

The annual marionette show is to be held in the Tinley school auditorium, Sept. 27.

Review Faith Baldwin Book At Orland Woman's Club Silver Tea

Members of the Orland Park Woman's club and guests will hear a review of Faith Baldwin's book, "The Three Faces of Love" given by Mrs. Peter Kreten, at a Silver Tea to be held in the home of Mrs. Stanley Ray 9901 - 145th pl., Orland Park at 1 p.m. Wednesday, Sept. 18. Mrs. Ray will be assisted by Mrs. Karl Ekberg and Mrs. John Barton.

Mrs. Kreten is a noted book reviewer, having made such presentations at many outstanding organizations.

Proceeds of the Tea will be sent to Park Ridge School for Girls, of which Mrs. Ray is chairman for the club.

On Sept. 27, the club will sponsor a social and games par-

ty, including a silent auction. The affair will start at 7:30 p.m. and will be held in the Orland Park Elementary school. Refreshments will be served.

Final arrangements for the Tea were made Sept. 4, by the committee, of which Mrs. Harry Pihl is chairman. Tickets may be obtained from any of the members or at the door.

The club recently held a sale of articles from Oak Forest therapy shop in the home of the club's president, Mrs. Ekberg.

Zion Ladies Aid Maps Fall Plans

The meeting of the Zion Lutheran Ladies Aid Sept. 4 was primarily a planning session for the many interesting affairs to take place this fall.

The first thing will be the bake sale on Friday, Sept. 27 at Vogt's store. On Sept. 30 a luncheon will be held at the Lutheran Home Finding Society of Illinois.

The annual turkey dinner will be held on Wednesday evening, Oct. 23 at which time there will be a sale of fancy goods. The October meeting will be the annual birthday party, Wednesday, Oct. 2, at 1 p.m.

By the death of Mrs. Annie Stelter Sept. 4, the Ladies Aid lost one of its faithful workers.

The Rag Rug committee report having a complete line of rugs to sell, all colors, all sizes. Mrs. William Marquardt is in charge. The Sewing circle's next meeting will be Wednesday, Sept. 18 at the home of Mrs. Dorothy Keuch.

The theme for September was "Christian Behavior" and a film on "hostility" was shown by the Rev. Randolph Hahn assisted by Student Pastor Paul Schairer.

The program committee was composed of the Mesdames Agnes O'Neill, chairman, Elizabeth Schulze, Dorothy Diekmann, Anna Schoeneck and Elizabeth Bruegeman. Refreshments were served by the mesdames Myrtle Mohr, chairman, Dorothy Gungel, Margaret Krauss, Lena Schanz and Florence Rensink.

Kirby Community Club Changes Name

The former Kirby Community club wishes to announce that it has changed its name, and will henceforth be known as the Kirby School Mothers' club. It was felt that since the group is affiliated primarily with the Kirby McIntosh School, District No. 140, that a name more closely related would be in order.

Meetings will be held at 8 p.m. on the first Tuesday of each month at the school, 173rd and Ozark ave. A bake sale will be held Friday, Sept. 13 at the National Food store, starting at 10 A. M.

Money earned last year by the Mothers' club was used to purchase a 16 mm projector for the school. This year the members have plans for purchasing more needed items for the school. The club is very appreciative of all the support given it by friends, neighbors and townfolk.

All our paper money bears the portrait of a former President or Secretary of the Treasury but the \$100 bill, which honors Benjamin Franklin. Paper bills cost the Treasury about 1c each to produce.

Farewell Party Given Former VFW Auxiliary Head

The Ladies Auxiliary to the VFW Post 2891 gave a farewell party Aug. 20 in honor of their former president, Mrs. Thomas May who had resigned her duties and has now joined her husband at Kansas City, Kansas to where he was transferred. Both the Auxiliary and the post presented Mrs. May with gifts and expressed their regret at her leaving, but also extended best wishes in her new home.

The senior vice president, Mrs. Robert Hill, has assumed the duties of president at the regular business meeting Sept. 3. Mrs. Ray Sullivan, the Recreation Commission representative, reported on the Labor Day festivities and thanked all who donated their time. The VFW Post played host to those who participated in the Labor Day parade by serving free refreshments in the club rooms.

The annual VFW Auxiliary "Kickoff Dinner" will be held Sept. 14 at the Conrad Hilton. Mrs. Hill and membership chairman, Ann Morrison, will attend.

The VFW Post and Auxiliary will participate in the "I Am an American Day" activities in Oak Forest Sept. 15.

Tinley Garden Club Will Meet Sept. 19

The next regular meeting of the Tinley Park Garden club will be held Thursday, Sept. 19 at Mrs. R. J. Hug's home. Luncheon will be served at 12:30. Those unable to attend are requested to notify the hostess before the meeting date. Mrs. John Swisher will present the program.

What attracts industry to a region? A Business Week article says this: "While a company expanding into another area will probably first scan labor, raw materials, markets and power potentials, the company—all things being equal—is apt to settle for the community where taxes are the lowest."

Carl Sandburg Gives Schedule For Adult School

The following schedule of adult classes on Sept. 17, 18 and 19 at Carl Sandburg High school has been announced:

Tuesday, Sept. 17, fee \$10., will feature accessories for the home and will consist of flower arrangements from dried materials such as seed pods, grasses and weeds. Wall decoration and other adaptations will be under the leadership of Mrs. Ludwig Thiel, of Mokena. The second half of the class will be on decorations for the Thanksgiving and Christmas holidays and will be shared by Mrs. Chester Williams and other guest teachers. Materials will be available at the school for those who wish to buy them.

Fees Vary

The fee for the tailoring class is \$10 and each person will be expected to make a coat or suit. This may be for themselves or for a child. The first meeting will be on fabrics and supplies.

On Wednesday, Sept. 18, the World Politics class, which is sponsored by the Ford Foundation, will be led by two men trained at the University of Chicago. This class will meet in the library at 8 pm. The fee is \$12.

The Stock Market class fee is \$25 and will meet six times to help one understand the terminology of the market world and to discuss the many facets affecting market changes. The leader of this group comes from a brokerage house listed on the exchange and has had special training in group discussion leadership.

The Beginning Sewing class is for the woman who wants to learn to use the newer methods and shortcuts in achieving a professional look in the garments she makes. The fee is \$10. Shop not ready.

There will be no classes in woodworking and shop due to the fact the rooms in the new addition have not been completed.

A few people have requested classes in typing, languages and speech, but will not be scheduled unless more are enrolled.

Specially trained leaders will be furnished by the PTA for a tuition free course in parent child relationships. The course "Parenthood in a Free Nation" was developed at the University of Chicago. This course will be scheduled for Thursday night, starting Sept. 19.

Name Jolietan On Committee To Aid Blind

Harold J. Schmitz, Sr., Lockport, Lions International Councilor, was recently appointed district Lions blind committee chairman by Clarion S. Johnson, Joliet, district governor.

Schmitz will compose the state committee for the blind, representing District 1-B. There are nine Illinois districts.

Lockport Resident

A member of the Lockport Lions club for the past 10 years, Schmitz served as zone chairman, deputy district governor and district governor. He is a master key member and served as secretary and president of the Lockport club. Besides Lions, he is a member of the Lockport Moose Lodge and the Knights of Columbus. He is a member of the Will County Tuberculosis Association executive board and is state director for the association.

Born in Chicago, he has lived in Lockport for the past 26 years and is co-owner of the Richlieu Food Store there, which he has operated for the past 11 years.

A Major Work

Sight conservation as well as aid to the sightless are among the major projects carried on by Lions clubs all over the world. Illinois Lions have received considerable recognition for their work in aiding the blind and in

the preservation of sight among persons financially unable to buy corrective lenses and spectacles.

Lions blind work, in most cases, is an unheard-of, silent service to humanity. Every day of every year some person in District 1-B is given a better outlook on life thru a pair of Lions bought spectacles, it was pointed out, but in most every incident due to certain circumstances, the public is never made aware of the fact.

Mokena Lions Club Discontinues Paper Pick-up . . . No Profit

The Mokena Lions have discontinued monthly collections of waste paper because there is no market for it.

The club announces that during the two years of operation, 234,000 pounds of paper were picked up, also 5,725 of iron and 1,630 pounds of rags which were sold for \$554.53.

Members and their wives are invited to attend the district 1-B convention in Dwight on Sunday, Sept. 29.

U. S. Agency Cracks Whip On Wheat Growers

Some of the general provisions of the recently enacted 30-acre feed wheat exemption law were set forth today by William Z. Polley of the Will county ASC office. This legislation permits farmers to grow up to 30 acres of wheat without penalty provided all of it is used for feed, seed, or human consumption on the farm where it is produced. The new provision applies only to 1958 and future crops.

To be eligible to grow 30 acres without penalty, producers must file an application with the county committee prior to seeding time on the farm or Oct. 15, 1957, whichever is later. Although application blanks are not presently available, they are expected in the near future, Polley said. Producers participating in the program will be required to file future reports on the use of the wheat so grown. An application may be canceled by the producer at any time, but in this event marketing quota program provisions will then apply to any wheat produced on the farm.

Hard and Fast Rules

Under the feed wheat exemption provision no more than 30 acres of wheat may be grown on the farm. None of the crop may be sold, bartered, or exchanged.

The entire crop of wheat must be used on the farm where it is produced. Any livestock or poultry fed must be owned by the producer and it will not be permissible to remove any wheat to another farm for any purpose.

No marketing card will be issued for farms covered by the feed wheat exemption provision since none of the wheat from such farms may be sold. If the conditions on which the exemption is granted are violated, the exemption becomes null and void and the producer will be subject to penalties under wheat marketing quota regulations.

Any producer who signs up for the 1958 wheat acreage reserve program will not be eligible to use the 30 acre feed wheat provision unless he cancels his wheat acreage reserve agreement prior to the closing date for cancellation of wheat acreage reserve agreements.

Four Courses Open

Program provisions permitting producers to market 15 acres or less of wheat without penalty regardless of the size of the allotment will only apply to producers on farms which are not participating in the feed wheat exemption provisions.

Under the wheat program for 1958 farmers now have the following options: 1. Up to 30 acres may be grown on a farm provided all of the wheat produced is properly used on that farm. Written request must be filed with ASC office.

2. The allotment acreage (if any) may be grown on the farm with price support available on the wheat produced.

3. Part or all of the allotment may be placed in the 1958 Wheat Acreage Reserve, in which case the farmer can raise no more than the allotment minus the acreage placed in the reserve.

4. If there is no allotment on the farm or it is small, up to 15 acres of wheat may be grown without penalty and placed on the market without price support.

CCC Spending Going Up! Up!

By MAURICE W. SCOTT

Secy. Taxpayers' Federation
A taxpayer asked the Black Sheep: "Have you any wool?" To which the Sheep replied: "No, sir, no, sir, but the Commodity Credit Corporation has a lot of it."

This modern version of the nursery rhyme wouldn't be too far from the truth. According to recent figures of tax foundation the CCC had 38 million pounds of wool, black, white and gray, collected under the price sup-

port program.

Wool, however, isn't the only commodity held by the CCC in millions of bushels, pounds, and hundredweights. There are also (among other things) butter, cheese, dried milk, dried edible beans, corn and wheat. All carefully stashed away and paid for with billions of tax dollars.

At the end of May, the CCC estimated its "net realized loss" on price support operations for 11 months of fiscal 1957 at \$1.2 billion—compared to an \$844 million loss in the like period in 1956.

Maybe a division of such com-

modities among families is the answer if bulging inventories of the federal government continue to grow, and it appears that they will. For example, recent figures before the senate showed that while six federal agencies issued loans of at least \$35 million in a 3 year period beginning with 1955, mostly to encourage building poultry houses, a seventh agency was spending approximately \$1 million a month to buy up surplus eggs.

In 1911 the first American aviation pilot's license was issued to Glenn Curtiss.

Eagles To Open Grid Season Saturday

Sandburg Will Field Light Team This Year; Elmhurst First Foe

Carl Sandburg's Eagles will open their 1957 football season at the Carl Sandburg high school field on Saturday against at strong Elmhurst team. The first game will begin at 12:30 p.m. on Saturday, Sept. 14 when the Carl Sandburg freshmen-sophomore team under the direction of coaches Meier and Suchor entertain the Elmhurst eleven.

A squad of more than 70 boys has been working since Aug. 25 in preparation for the opening game. Coaches Devine and Wilbur have been working with a small, but talented letterman loaded squad of 29 varsity boys, all lettermen, in preparation for the opening game of the season which will follow the frosh-soph contest and will begin at approximately 2:15.

The varsity squad is small both in numbers and in weight. The varsity will probably be outweighed by most opponents but experience and a desire to win is hoped to be the factor that overcomes any disadvantage encountered because of size.

The talent for the varsity is probably as good as Carl Sandburg has had during its four years of existence and the coaching staff is expecting a better season than last fall when the Eagles defeated Bremen, Lincoln-Way and Evergreen Park in conference play and narrowly lost to Elmhurst and Rich. Gates for Saturday's games will open at 12 noon. Advance sale of tickets at the school to students will cost less than at the gate. With more than 1,000 students in school for the first time, it is expected that a record crowd will view the 1957 football opener on Saturday.

Classify Archers In Tinley Club For Turkey Shoot

Classification of members in the Tinley Park Archery club started Sunday, Aug. 18, and will continue thru Sunday, Nov. 10. Members unclassified by this date will be required to shoot in group A in the Turkey shoot.

Members are classified in three groups, A, B and C and the method of arriving at individual classification is as follows:

The women members of the club will shoot six ends (Six arrows constitute an end) at 30 yards three different ways or a total of 18 ends. Classification will be made on individual average score.

Seek More Members
The men will shoot six ends 36 arrows at 40 yards three different ways, or a total of 18 ends (108 arrows) and scored on the average.

For example, first six ends score 324 points; second six ends 324 points; and third six ends 324 points, or a total of 972 points. Divided by three gives an average in this case of 324. This example is based on perfect scoring and would put the owner at the top of class A, with nothing else to look forward to in life (in archery that is!)

B classification includes scores of 216 to 109 points and C, 108 to 0 points.

Acting as volunteer chairman until an election is held is Gene Schatz.

The Archery club will welcome new members. Men and women 18 years and older interested in joining the group should call A. L. Cote, Gibson 8-6142.

A University of Illinois horticulturist says that tomatoes will always have the highest quality when they are ripened on the vine.

Lincoln-Way Gridders Bigger and Heavier; Meet Lemont Tomorrow

By DENNY WHEELER

In the running in the South-west Suburban Conference race this year are the Lincoln-Way Knights coached by colorful guidance last year, a mere 18 Jonas Lashmet. Under Lashmet's young men thrilled L-W followers with a slashing wide-open brand of football and triumphed in half of their eight games, tying one. They trounced previously unbeaten Oak Lawn 21-7 and held powerful Reavis to a hair-raising 13-13 draw. They were undefeated on their home field.

What about this year? "Well, I don't know. We'll have to wait and see. The boys can do it if they want to bad enough." This was the only comment that could be wrested from the blond-haired leader of the Red and Black.

So, it was out onto the football field for a better look at this year's edition.

Lashmet was running the boys thru a light Monday workout but soon he called full scrimmage with the first string working on defense and Lashmet himself quarterbacking the offense.

Defensively the Knights are much bigger than last year. John Marcoux (190) and Al Pius (175) are defensive ends with Lee Gear (200) and Ken Weber (165) at tackles. Stan Korista (180) and Delbert Yunker (235) fill the middle spots. Jim Stauffenberg (160) and Don Madsen (150) are line backers, Ron Fredin (185) and Bob Hughes (140) are halfbacks and Don Carter (140) is at safety.

The same team with a few exceptions make up the offensive unit. Fredin will lead the team again at quarterback with Stauffenberg, Marcoux, and Carter completing and excellent backfield. Fredin has gained valuable experience and fakes with the best of high school quarterbacks. Stauffenberg should fill the shoes of high scoring Ron Studnicki and Carter is very fast. Marcoux is a Sherman Tank if given time to start rolling.

This year 25 men are ready for action and it is certainly encouraging to see more of Lincoln-Way's men out for this exciting and body-building game.

The Knights will operate from the same offensive pattern as last year thus insuring their fans of plenty of excitement. They invade Lemont tomorrow evening to launch what they hope and plan to be another successful campaign.

Softball Team Deplores Lack Of Ball Field

Members of the Tinley Park Girls softball team call themselves a homeless out fit and are bitter about the fact all of their home games had to be played in Oak Forest this year.

The team was organized three years ago and until this year all home games were played in Tinley Memorial park under lights. These lights have since been removed and not replaced.

Tinley may well be proud of the girls on the team, but the girls are not proud of their

town, a spokesman for the group said.

The team in their denouncement of the situation, asked the city fathers and members of the recreation commission to visit towns such as Matteson, Beecher and Peotone, included in the suburban girls softball league, where there are beautiful ball diamonds where the grass is cut regularly, up-to-date backstops and in some cases, lights and dugouts.

The team had a record of seven wins and nine losses this year. Last year they were league champions. The squad is composed of the following Tinley girls: Sue Balzhiser, Mickey Yunker, Nancy Barrowcliff, Carol Meyer, Georgette Zirbes, Judy Gray, Eileen Bachman, Leneen Couch, Barbara Ralson, Rita Validka, Betty Andrysiak, Jill Hollinghead, Betty Bettenhausen and Alice Albright.

Dr. George Gallup, the country's leading public opinion poll taker, finds that "The evidence is overwhelming as to the basic strength of the newspaper with the American public." And he sees small chance that TV, radio or any other media can materially change this situation in the foreseeable future.

Hot Rivalry Marks Program At Midget Races

Football weather may make the fans bundle up for the midget auto races Saturday night at Joliet Memorial Stadium, but it isn't expected to cool the hot rivalry among the track's three leading drivers.

George Sellery of Chicago, Bob Tattersall of Streator and Willie Wildhaber of Lexington, Ill. remain locked in a close duel for track championship. Tattersall, however, holds a distinct lead

in feature victories with seven, compared to three each for Sellery and Wildhaber.

Wilhelmi Back

Joliet driver Bernie Wilhelmi is expected to be back in action Saturday night, after shaking the effects of an accident last week-end. Wilhelmi was sent to a hospital for x-rays of a shoulder injury, but was released when it was determined there was no fracture.

Among the drivers who will be seeking initial feature victories Saturday will be Johnny Meyers and Rick Erickson of Chicago, Matt Chinski of Custer Park, Paul Kerber of Elgin, Willie Wilson and Carl Geer of Bensenville and Johnny Riva, Morton Grove.

Time trials will start at 7:30

p.m. and the first race at 8:30 p.m. There will be four heat races, a handicap, 15 lap semi-feature and 25 lap feature.

Two College Credit Courses Available Now at Oak Forest

Two University of Illinois college credit courses offered thru the Division of Extension at Oak Forest Institution, 159th and Cicero, are Political Science every Friday beginning Sept. 20, and Educational Psychology every Wednesday, beginning Sept. 18.

Classes start at 3:30 p.m. and each awards 3 semester hours credit.

Registrations are being taken

now by Viola Ward, FU 8-2360, or WA 8-4200, Ext. 342.

Be nice to your friends. If it wasn't for them, you'd be a total stranger. —Lee Marvin.

Picnic Pleases—Apple Blossoms Bloom

MOKENA METHODIST—held their annual picnic last Sunday afternoon at Mokena Community park and everyone had a good time, including the hardworking corps of servers who

ladled out the food. And the weatherman was at his best. It was a fine day, cool, but not too cool, and plenty of sunshine.

(Marvin Smith photo)

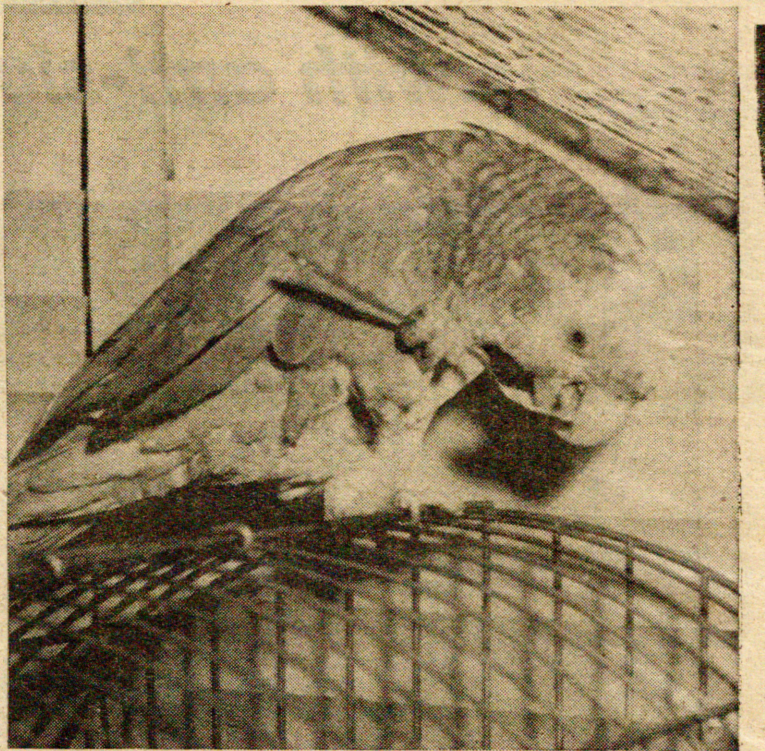

BETWEEN FRIENDS ITS 50-50—and while the pooch is reasonably sure he is going to get his full share he is still keeping a steady eye on the division of what looks to be a piece of cake in the hands of Duane Fant. All the dogs in Mokena have marked Duane as a soft touch who can be relied upon to share any eats equally. This picture was taken at the Mokena Methodist church picnic and neither dog or boy knew a camera was in focusing distance. (Marvin Smith photo)

BEGIN RESURFACING JOB on the rest of 173rd Place, Tinley Park. Big machines and a crew of workers began the task of putting a parlor finish on the street. Part of the job was

done last year. Tile to carry off storm water was installed before the paving phase was begun. (Marvin Smith photo)

TO HECK WITH CRACKERS—says this parrot. What she or he likes is ice cream and the photographer who was at Jardine's restaurant at Tinley Park for another picture clicked a shutter just as the bird was cleaning out a spoon that had contained a sizeable chunk of vanilla. But whether it's vanilla, chocolate, strawberry, butter pecan or peppermint makes no difference. If it's ice cream that's all that is necessary to make Poll a happy parrot. (Marvin Smith photo)

STUDYING CIVIL DEFENSE PLANS—are Tinley Park officials (left to right) Robert Bridge, assistant civil defense director; Phil Dykstra, director; Police Chief Harold C. Moore, Mayor Elmer Knudsen, and Fire Chief Edmund C.

Moss. These men will direct operations during the second annual National Civil Defense Week being held Sept. 15 to 21.

(Marvin Smith photo)

APPLE BLOSSOM TIME ordinarily comes in the spring but sometimes an apple tree has a second fling and that is what this one did in the yard at Jardine's motel, 159th and Oak Park ave., Tinley Park. A few warm days last week brought out a number of blossoms, a rare feat in these latitudes. Getting a close up view of the blossoms is Mrs. Gladys Kent, an employee at Jardine's. (Marvin Smith photo)

Card of Thanks

I want to extend my sincere thanks and appreciation to all who sent flowers, cards and gifts and to those who visited me while I was in the hospital and since I am home. Everything was a great help to me.

MRS. LOUISE HENTSCH,
Mokena.

We sincerely thank our neighbors, friends and relatives for their kindness and thoughtfulness at our time of sorrow. Also Rev. Hahn for his kind and comforting words, Mrs. Mable Lanfrusti for lovely songs, the memoriams and floral pieces. All was deeply appreciated sincerely.

The Relatives of
MRS. ANNIE STELTER
Tinley Park,

O.K. to Plant Evergreens In Early Autumn

Professional tree men urge changing the seasons, as far as evergreen planting is concerned.

Most week-end gardeners wait for spring to shop for this greenery. Off-season buying, however, is often best, says Billy White, field representative of the Davey Tree Expert Co.

Evergreens moved to their new locations in late summer and early fall usually make as good growth as those planted in spring. That's because the ground stays warm and encourages root growth well into the cold weather of November in northern climes. Such plantings have a chance to start new root growth before winter sets in. In the south, this period for transplanting may extend thruout the winter.

Have Stock Now

For the past several years nurseries have been hard put to satisfy home owner demands for choice stock. Point is they now have all the evergreen stock that will be available next spring. It is good practice to make selections from the fullest stocks and plant when it will do the most good.

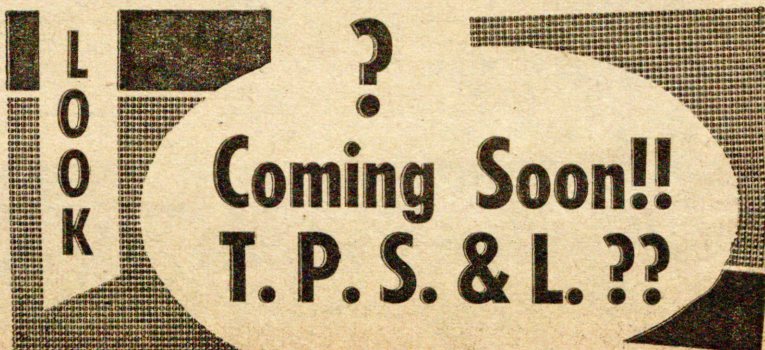

The evergreen moving season applies, too, in a limited way to some of the broadleaved varieties. Would-be planters not sure about facts and fancies on transplanting should consult their nurserymen or the professional tree man. Above all, they should ask about the ultimate growth of recommended varieties.

A TAX THE GOVERNMENT CAN'T AFFORD

A tax can actually cost the government money.

If you doubt this, a report made by Edward R. Jelsma, director of the Interstate Commerce Commission's Bureau of Transport Economics and Statistics, should interest you. According to him, the federal three per cent excise tax on freight transportation (a World War II emergency measure which is still on the books) cost the government \$24 million in lost revenues from the railroads alone during 1956.

Here's how that happened: Last year, the government collected \$450 million from the freight excise tax. However, the tax is deducted from income by shippers as a business expense so the actual net return to the government was only \$247,500,000.

The excise tax, Mr. Jelsma continues, has been instrumental in leading many shippers to use private transportation, and this transportation is officially estimated to have cost them \$4,300,000,000 last year. Polls show that, with repeal of the excise tax, the railroads would recapture about \$861,600,000 of the business. And income taxes on this new rail income would total a handsome \$271,400,000—which is approximately \$24 million more than the excise tax netted the U. S. Treasury.

Mr. Jelsma's computation does not take into consideration the additional revenue that would come from other carriers if the excise tax were repealed. The chairman of the Interstate Commerce Commission, Owen Clarke, has said that the total loss to the government caused by the excise tax may be \$90 million.

Here is one tax the government just can't afford!

FORCED LABOR IN THE U. S.

General Douglas MacArthur warns that if the government's 'lust for taxes' is not curbed this country may be taxed into socialistic slavery.

He cited the fact that in 70 years the average per capita tax rate has risen from \$1.98 to \$444.86—more than 200 times. He added: "The government takes in taxes over a third of the income of the average citizen each year. That means that he or she is required to work entirely for the government from January 1 until May 10.

This begins to resemble the Soviet forced labor system . . ."

There are more ways to enslave a people than by bloody revolution and the violent seizure of power by dictators. Confiscatory taxation is one of those ways.

POLITICS AND POWER

Power development on the Niagara River has been held up for some 7 years by a controversy as to whether it should be developed by government agencies or publicly regulated, independent companies.

Five existing companies serving the area have sought permission to build the power plant at a cost of some \$400 million. They would have paid \$23 million a year in taxes on the project. Power would have been delivered to industries and homes long ago if they had been permitted to build.

The question is now settled. Congress has voted to authorize the New York state power authority to build a \$600 million electric plant at Niagara Falls. Politics has delayed power production for years and has already caused a loss of some 100 million dollars in taxes which independent companies would have paid if they had been allowed to build the needed plant. If the state power authority project is like other public power plants one of its main features will be freedom

Mason Candidate For Re-election As Congressman

Congressman Noah M. Mason, who has represented the 15th district, which includes Will county, for many years, is a candidate for re-election in the Republican primary next April. Mason is making the announcement now because of recent stories in the daily press that he intended to retire at the close of this present term because of his age, of all things.

There were published reports that M. H. Hollingsworth, of Joliet, Stratton's director of finance would be a candidate for Mason's post.

Hollingsworth said he would not think of running if Mason was a candidate. So apparently he is not thinking about it because Mason is very much a candidate.

An Influential Member

He says that as long as he can swim two or three miles a day and holds his own in debate in the house of representatives he figures that he has not reached retirement age.

Cong. Mason now stands No. 13 in seniority among the 201 Republicans in the house, which places him near the top, both in rank and in influence. As one of the top ranking members of the powerful Ways and Means committee he has become a nationally known authority on federal taxation and he is in constant demand as a speaker on that subject.

Political observers point out that Mason is a rugged individualist and which a staunch Republican is not a party hack nor a blind follower of party leaders and has worked unceasingly to curb government spending, reduce taxes and halt the trend toward socialistic policies.

from taxation which other persons and industry pay.

While we are pouring billions of dollars of tax money into foreign countries to preserve a so-called "free world", our own Congress and politicians work to saddle our own nation with the cancer of socialism which would crush American enterprise and personal freedom.

J. W. Fleming, 73, Father of Mokena Resident, Dies

James W. Fleming, 73, father of Mrs. Roy Richardson of Mokena, died Sunday morning in the Rest Haven nursing home in Joliet. He had been an invalid for the past 11 years and recently suffered a paralytic stroke.

Born in Hamilton, Ontario, Canada, April 6, 1884, he moved, when a baby, with his parents to Ohio. Later the family moved to Indiana and then to Chicago.

He was married to Miss Goldien M. Pederson in Chicago on Sept. 16, 1914. He was a meat salesman for the Boyd Lunnen wholesale firm for many years, serving the Chicago loop area. Following the death of his wife in 1941 he made his home with his only child, Vera, and her husband Roy Richardson. When the latter moved to Mokena in 1950, he moved with them.

Surviving beside his daughter are four grandchildren, three brothers and a sister.

Funeral services were held Wednesday afternoon in the Bartz funeral home in Chicago with the Rev. William Riemann officiating. Burial was made in Mt. Greenwood cemetery.

603 Enroll at Lincoln-Way; 305 Boys, 298 Girls

Lincoln-Way high school opened its doors to 603 students this year it was announced by Supt. A. Hunter Chapman, an increase of 58 over last year.

Registrations in the spring pointed to an enrollment of 630 but a number of families have moved out of the district since. Of course, new families are expected to move into the area in the course of the school year so the enrollment is expected to increase as the term progresses.

Of the 603 students, 305 are boys and 298 are girls. Divided into classes the enrollment is as follows:

Seniors, 115—58 boys, 57 girls; juniors, 127—62 boys, 65 girls; sophomores, 187—95 boys, 92 girls; freshmen, 174—90 boys and 84 girls.

Installment plan buying in England is known as the "hire purchase" system.

WILL OPERATE STATION

Jerry Nelson, Cleveland drive, Mokena who has been manager of the National Food store in Lockport for several years, has resigned that position and will operate the new service station, corner LaPorte and Wolf roads, Mokena. The station is rapidly nearing completion and it is expected to open soon.

Europe is the second smallest continent in the world.

The WSCS of the Methodist church will meet at the church Sept. 12 at 2 o'clock. There will be a basket sale at this meeting. Members are asked to please bring bakery or "What have you" to sell.

St. John's Womens Guild will meet Sept. 19 in the church. Devotions and topic by Mrs. Robert DeForest "the Congregational churches". There will be a guest speaker and election of officers. A bake sale will follow the meeting. All members are asked to bring bakery goods. Hostesses will be Mrs. Philip Hacker, chairman; Mrs. Fred Cappel, Mrs. Ethel Coburn, Mrs. Clarence Imekus, Mrs. Harry Mall, Mrs. Howard Marti, Mrs. Arthur Maue, Mrs. Paul Rauch, Mrs. Helen Scheer and Mrs. Harold Spiess.

The society will sponsor their annual supper in the church, Oct. 9.

Thomas J. Pethes, Jr., 203rd and Wolf road, who was graduated from the Illinois Institute of Technology at Chicago in June, is now taking post graduate work at the institution for his master's degree. He was on the dean's list for scholastic achievement prior to his graduation.

Russell Guether, recently discharged from the Reserve Army at Ft. Leonard Wood, Mo., has been assigned to the State Line council, Boy Scouts of America, to serve as district scout executive with head quarters at Delavan, Wis. Pete goes to the Wisconsin area as an experienced scout, having served as district scout executive for the Corn Belt council out of Bloomington in 1957.

The annual family picnic given by the Frankfort-Mokena Home bureau was held Sunday at the home of Mr. and Mrs. William Seeman in Frankfort. There was a good attendance and everyone had a good time.

James Wayne and William Gerald, sons of Mr. and Mrs. James Reeder of Tinley Park, were baptised in the Mokena Methodist church during services Sunday morning. The Rev. Jerry Jackson officiated.

Ronald Knakmuhs and Marilyn Cooper are attending Junior college at Joliet. It is Ron's first year and Marilyn's second year. Fay Ann Rueckert returned to Teachers college at DeKalb for her third year.

The Wayfarers will meet Saturday Sept. 14 at 8 p. m. in the social room of the Methodist church. As important business is scheduled to come before the group at this meeting, the offi-

cers are desirous to have all members present. Refreshments will be served.

Mr. and Mrs. Guy Colby very pleasantly surprised News-Bulletin staff when they stopped at the newspaper office last Thursday as they were enroute in their trailer home to Florida. Many in this area will recall Mr. Colby, who was the instigator of Barn dances at the WLS barn dances at the Eighth Street theatre in Chicago. He also conducted square dance at the Mokene Auditorium for a number of years. They are both well and drive between their Florida and Chicago homes several times a year.

Several building permits have been granted by the Will County Zoning office recently. They are: to Violet Burke, Chicago to build a 5 room frame house south of 192nd st., between 114th and 116th, Sunny Acres. To Earl R. Moss, New Lenox, to build a 5 room frame house north side of Plaza drive, east of Marley road.

Miss Margaret Jones, daughter of Mr. and Mrs. Harold Jones, west of Mokena and James Dent, son of Mr. and Mrs. Earl Dent, New Lenox, were quietly married in St. John's Union church Thursday, Sept. 5 at 5 p. m. by the pastor, the Rev. William Riemann. Present at the ceremony were the bride's sister, Mrs. Shirley R. Smith and Mrs. William Riemann. The couple has gone to housekeeping in Joliet.

In writing the article about the house warming given for Mr. and Mrs. Berle Needham in last week's issue, the names of Mrs. Hugo Niethammer and Mr. and Mrs. Lyman F. Teague were unintentionally omitted. They also were among the members of the former Bible study club who were present. We are sorry for the omission.

Mr. and Mrs. Donald Becker and family moved into their new home in Lockport, Saturday. Mr. and Mrs. Oliver Hulbert and son who were living in the Boleman home on West Front st., moved into the house vacated by the Beckers.

Mokena Grade School Begins Year With 314 Pupils

Enrollment in the Mokena public school was 314 at the end of the first week of the new term, it was announced by Mrs. Elizabeth Cappel, superintendent.

This is an increase of 33 over last year's enrollment and has made it necessary to use a portion of the all purpose room for classes earlier than had been anticipated.

Five rooms are in use at Willow Crest, the new school and the same number at the Carpenter street school.

Cartoonist Thomas Nast is responsible for the Republican elephant and the Democratic donkey.

Remits Fine In Mokena Traffic Case

Two motorists were arrested at Mokena this past week by Police Chief James Smetana on traffic charges. Walter G. Edwards, 29, 304 Front st., Mokena, and Raymond J. Loeffler, Jr., 18, of 22 Argyle st., Joliet.

Loeffler who was arrested for driving a car with illegal muffler was fined \$3 by Justice of the Peace August Werner, and paid \$3 costs.

Edwards, who was charged with running a stop sign at Mokena and Front streets, was fined \$2 by Justice of the Peace Werner but did not pay it. Werner collected \$1 for costs but remitted the fine.

Sorghum Now A Major Crop

Not too many years ago, nearly every farm had a small patch of "cane" from which to make sorghum molasses. And that "sorghum" on hot biscuits, cornbread or pancakes left a never-to-be forgotten taste in the memories of thousands of farm boys.

The use of sorghum for molasses is now little more than a memory, but the use of sorghum for grain and forage has advanced it to a crop of major stature. This year's production of grain sorghum will break all records. The Aug. 1st estimate was 418 million bushels as compared to 428 million bushels for soybeans, another rapidly expanding and relatively new crop.

Sorghum occupies a special niche as an agricultural crop. It is drought resistant. Last year in Nebraska's severe drought, sorghum made 30 bushels per acre while corn beside it made but 5. Consequently, the drier states of Texas, Oklahoma and Kansas are the biggest producers.

Big Yields

But it has shown ability to perform well under irrigation, too, and extensive acreages and yields of up to 100 bushels are common in the Texas high plains and in Nebraska's irrigated valleys. The weight per bushel of sorghum is the same as shelled corn, 56 pounds.

Sorghum started to gain prominence when its original tall, weak stalked and sprawling plant was reduced by the sorghum breeder to the present waist high "combine type." This occurred around 1930. Harvesting with the grain combine tremendously increased its possibilities of large scale production.

More recently, the introduction of hybrid grain sorghum has aroused a new interest. The rapid increase in hybrid grain seed by DeKalb and other large seed corn companies as well as many smaller southwestern growers

will make this type of seed available to most commercial farmers for 1958 planting.

Sorghum hybrids have indicated in hundreds of tests that they will outyield standard varieties by about 25%. This is comparable to the yield increase made by hybrid corn.

Mealtime is, as one overworked mother put it, when the kids sit down to continue eating!

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

Richard Schmaedeke, son of Mr. and Mrs. Orville Schmaedeke left Sunday for Peoria, where he will attend Bradley university. The first week will be fraternity rush week and the next orientation week, followed by the school program.

Mrs. Henry Tilsy and family, 167th and Wolf road, were surprised Aug. 27 when Mr. and Mrs. Milne Harbottle and sons, Bud and Gary of Winnipeg, Manitoba, Canada, drove in their driveway. Mrs. Harbottle is a cousin to Mrs. Tilsy. The folks had not seen each other since 1951, when Mrs. Tilsy and Mrs. James Creer paid them a visit in Canada.

St. Michael's Altar and Rosary society held its first meeting of the fall season Tuesday evening. Plans are well under way for the society's first project, which will be a Fall and Winter hat sale, to be presented Saturday and Sunday, Sept. 21 and 22 in the church basement. Along with the lovely hats, jewelry and handbags will be available.

The Auxiliary to the Orland Park Firemen will meet in the home of Mrs. Delia Steinhagen, Monday, Sept. 16 at 8 p.m. Refreshments will be served after the business session. As this is the first meeting of this season it is desirable to have a good attendance.

Third District, Illinois Federation of Women's clubs will conduct round tables for the various departments, Tuesday, Sept. 24 10 a.m. at Ridge Park Field house at 96th and Longwood drive. Salad Bar luncheon will be served at noon in the library. It is hoped that all chairmen of the Orland Park Woman's club plan to attend. Contact Mrs. Karl Ekberg, FI 9-3315 for transportation.

Mr. and Mrs. Bob Arnold have another boy, born Sept. 2 in St. Francis hospital, Blue Island. The infant weighed 7 pounds and has been named Michael Timothy. Mother and son are home and doing fine. Michael has a brother and two sisters.

Mr. and Mrs. Clarence Kramer are grandparents again. A baby boy born Friday, Sept. 6 in St. Francis hospital, Blue Island, weighed 6 lbs. 12 oz. and has been named Steven Michael. His parents are Mr. and Mrs. Raymond Schultz of Tinley Park. Mother, the former Gail Kramer, and son are home and doing fine.

Mrs. Frank Moore, mother of Mrs. George Gee, Jr., who has been on the sick list a few days, is feeling much better and able to be around.

Mr. and Mrs. William Nicolai, Mr. and Mrs. Eldon Nicolai and family, Mrs. Charles Nicolai, Mr. and Mrs. Melvin Doogan and family, Mr. and Mrs. Mike Chiappetti and family, Mrs. Gustie Hallinan and Mr. and Mrs. John McIntosh of Palos, attended the wedding reception of Mr. and Mrs. M. F. Andrews at Saenger hall in Tinley Park, Saturday. The bride is a sister to Mike Chiappetti of Orland.

LINCOLN ESTATES

Mrs. Emil Wille
Frankfort 3161

Mrs. Martha Ott entertained a group of children on the occasion of her grandchildren, Rhonda Harmon's fourth birthday. Two other grandchildren, Debbie and Danny Coy were guests besides Jerry and Carol Nijakowski. Richard, Marilyn and Ellen Kluth, Patty and Carol Tyler and Neil Nijakowski.

Mr. and Mrs. Martin Goetz have sold their home on 84th ave., to Mr. and Mrs. L. A. Pearson, of Frankfort.

Mr. and Mrs. James Val Chant of Chicago spent last Thursday with her parents, Mr. and Mrs. Paul Reichel.

Dennis Wheeler, son of Mr. and Mrs. Robert Wheeler, leaves Sept. 18, for Northwestern University where he will major in journalism.

Mr. Richard James, of 82nd av., died Saturday, Au. 30, following a long illness. He is survived by his father, Oscar James, of Lincoln, and a sister, Mrs. Betty Abrahamson of Chicago.

Mr. and Mrs. John McIntosh, Palos Park, entertained Mr. and Mrs. Robert Miller of Orland Park and Mr. and Mrs. William Burkhardt of Mokena, Sunday afternoon by playing a few holes of golf at Oak Hills Country club, and then a steak fry at their home in the evening.

Richard Schmaedeke and Allen

Reeves of Palos Park spent a week vacationing at the Reeves cottage at Phillips, Wis.

Robert Macny led a contingent of men from the Holy Name society of St. Michael's church to a retreat at Maryslake, Hinsdale. The group left Friday night and returned Sunday nite. Those in the Orland group were A. W. Sinco, Walter Smith, John Barton, Sylvester Janitowski, James Wise, Paul and August Knez.

Says Artificial Breeding Builds Better Herds

According to figures from the 1956 DHIA Summary, 60% of the Illinois herds which averaged over 500 lbs. butterfat used artificial breeding to a high degree. Assistant Farm Adviser Alden Hickman says that breeding records from thousands of cat-

tle show no difference in conception rates between natural and artificial mating. The breeding co-ops can, and do, get bulls that the average dairyman cannot afford. Thus a good bull can be used in many herds to improve cattle at a small cost to the dairyman who use this service.

Not only does artificial breeding help to improve the average dairy herd, but it creates a demand for purebred bulls of high quality and transmitting ability. Bulls from production tested dams are commanding prices as high as \$10,000.

A new advance in this field is the use of frozen semen. Now a farmer will be able to call his technician and request a specific bull of his choosing. This will enable the dairyman

THE NEWS-BULLETIN
Mokena, Illinois
Thu. Sept. 12, 1957 Sec. 2 Pg. 1

to build his herd along the breeding lines of his choice. Another new development by research workers at the University of Illinois is a process whereby semen can be stored at room temperature. This will permit the dairyman to choose his own bulls and also reduce storage charges at the co-ops.

One resolution I have made and always try to keep is this: to rise above little things.

—John Burroughs

Business and Finance

MAURICE P. ANGLAND

The Saturday Evening Post has been carrying the autobiography of Bernard Baruch who has been well publicized as the man who sits on a bench in the park, across from the White House, and gives economics and political advice to Presidents and others who are important in running the government.

Mr. Baruch's detractors point out that much of his standing is due to clever publicity, but whether the criticism is justified or not, the fact remains that he has been most successful in the field of investment and speculation.

An adage states that "a successful business man is a man who makes shrewd guesses on insufficient information". The idea being that when full information is available, the profit is gone. Mr. Baruch puts it another way. He states that a speculator is a man who observes the future and acts before it occurs. He also points out that stock market amateurs make two principal mistakes (1) insufficient knowledge of the securities in which they are dealing and, (2) trading beyond the limits of their financial resources. In Mr. Baruch's most active days in securities markets, there was little legal requirement as to the giving of information of an intimate nature by various corporations whereas today, most large corporations operate in almost a goldfish bowl as to details of their financial status. The excesses of the 20's brought about new laws and attitudes of business morals.

Business on Even Keel

Business analysts seem generally to be of the opinion that general business activity is now on an even keel and good altho without the boom psychology. They may even be small amounts of unemployment in fringe areas.

Investors are becoming quite selective in their choice of investment situation. A few weeks ago this column mentioned the investment quality of General American Transportation Corp. A new research report on this firm has come out. General American is a widely diversified organization. In this report, reference is made to a new pat-

ented "Pyzel" process for the manufacture of cement without the kilns. This would be revolutionary and a big fuel saver in the process. This method is one designed by Dr. Pyzel which is similar to the chemical process in the catalytic refining processes of petroleum. Dr. Pyzel is best known as a petroleum chemical authority. Naturally, success with this process will be most important to this company.

Expect Increased Dividend

A pilot plant of 1,000 barrel per day capacity using the "Pyzel" process is expected to be in operation early in 1958. The smaller pilot plants indicate the process will be successful.

Reports in financial circles are that the company will show net earnings between \$6.50 to \$7.00 per share of common stock for 1957. All of the company's divisions are doing well except the plastics division even this division is expected to show substantial profits by the end of the year.

Research people are of the opinion that the firm will increase its dividend this year and also that a stock split may be expected. The company's history as to annual earnings increases as well as dividend payments, is outstanding.

THIS WEEK -In Washington

CLINTON DAVIDSON

Farmers will continue to operate at least through 1958 without major changes in present farm laws and programs.

Before recessing until next January, Congress decided to keep general farm legislation unchanged for another year, and instructed Agriculture Secretary

Ezar Benson not to make important program changes.

The understanding is that Congress will place new general farm legislation at the top of the list of problems to be taken up in January, but that whatever changes are made will be dated to become effective in 1959.

It will be difficult to avoid another farm legislation stalemate next year. This Congress has made it emphatically clear that it does not intend to follow Benson's recommendations, and President Eisenhower has indicated he will veto any bill not approved by his Agriculture Secretary.

Benson and the splintered Farm Bloc in Congress did not get along well in the first session of the 85th Congress and there is little prospect that relations will be better in the second session.

Congress will be back January 7 and all indications are that Benson will still be here, and that he intends to be around for another couple of years after that. President Eisenhower says he plans to further Cabinet changes before his term ends.

There are wide, and sometimes sharp, differences of opinion on how well present farm laws and programs are working. Benson claims all that needs to be done is to give him unlimited authority to set price support rates. He

would lower supports, he says.

Both farm prices and income apparently will average out for this year at very little different from 1956, but at something like 25% under 1953, the first year of Benson-Eisenhower farm program management.

Congress would have liked to make changes this year in the farm laws, but violent bickering broke out early in the session over a corn bill and the result was the smallest output of new farm legislation in more than 30 years.

Out of the more than 500 farm bills introduced, only five managed to squeak thru and none of those was of much general importance. The bills themselves reflected the wide and varied thinking of what ought to be done.

Congress considered and debated farm issues exhaustively. The log of the Senate and House Agriculture Committees show other, Congress gets out of the that more than 700 hours were

spent in hearing over 500 witnesses testify on farm bills.

A dozen or more farm bills were reported out by the Committees, but failed to reach a vote in either the Senate or House, or both. All of those will be ready for floor debate when Congress returns.

The biggest stumbling block to new farm legislation this year was not only differences between Benson and Congress, but even sharper differences between the farm organizations and other "spokesmen" for farmers. The farm groups are farther apart than in many years.

It is apparent, too, that Congress much prefers that the farm groups take the lead in proposing new legislation. That way the congressmen can escape the responsibility for failure if things go wrong. But when the farm groups start fighting each other, Congress gets out of the way.

FRANKFORT

Mrs. Katharine Heisner
Frankfort 5187

Mr. and Mrs. John C. Knight attended the wedding of Miss Carolyn Lee Bonds and Richard DeSalvo at the Greek Orthodox church in Joliet Saturday evening. They also attended the reception in the Elks ballroom.

Mr. and Mrs. Don Stephen and sons have returned from a weeks vacation spent with his parents, Mr. and Mrs. Leo Stephen at Spring Valley, Minn.

Mr. and Mrs. Walter Mark celebrated their 13th wedding anniversary Saturday night in their home, entertaining guests at dancing. Later refreshments were served. Guests were Mr. and Mrs. Robert Mitchell, Mr. and Mrs. Willard Burda, Mr. and Mrs. Franklin Christiansen, Mr. and Mrs. Lester Heisner and Mr. and Mrs. Walter Schoen.

Mr. and Mrs. Herbert Folkers entertained their son Frank and his fiancée, Miss Jacqueline Weiland both of Chicago, at a dinner in their home Saturday evening in honor of their son Herbert Jr. who left Sunday for the Western State Teachers college at Macomb.

Roger Hedges is vacationing two weeks at Miami, Fla., with his friend Ralph DeYoung.

Mrs. John Knight, Mrs. Ted Massey, Mrs. Alvina Cheney and Mrs. Pat Guzik attended the party and Tea given by the Marguerite chapter of the Eastern Star last Thursday in Joliet.

Mr. and Mrs. Arthur Bauch and daughter Janet and Mr. and Mrs. Herman Barlewort returned last Monday from a weeks tour of the New England states and Canada. They visited many places of interest.

Mr. and Mrs. Anthony Lourie and sons, Anthony and Mark motored to Denver, Colo., last week to visit Mr. and Mrs. John Toll and other relatives.

The WSCS meeting will be held in the Methodist church Tuesday evening, Sept. 17, at 8 p. m. Mrs. Wendell Morrison president, will preside at the business meeting. Mrs. Arthur Mark will present the program on Mission Cinerama. Hostesses will be Mrs. Leonard Cummins, Mrs. James Dixon and Mrs. Donald Nice. The executive committee will meet the same evening at 7:15.

Mr. and Mrs. Lester Heisner, Pat and Douglas and Mrs. Katharine Heisner visited with Mr. and Mrs. George Mager at Joliet Sunday evening to help Mrs. Mager celebrate her birthday.

The Circle of the Good Shepherd Lutheran church met in the home of Mrs. O. J. Novota, Tuesday afternoon. Mrs. Wilbert Klier presided at the business meeting and the Rev. Adolph Ullrich, pastor, was in charge of the program and devotions.

Mr. and Mrs. Milton Subbert and sons, Mrs. Clara Rauch and Mr. and Mrs. Ervin Schellhase attended a Rauch family gathering Sunday in the Forest Pre-

serve at Orland Park.

Dr. and Mrs. Merle Otto entertained, Dr. and Mrs. Edward Vosika and family, Dr. and Mrs. O. J. Novota and family, Mr. and Mrs. Frank Novak at a picnic Sunday evening at their home.

A Methodist district meeting of the Womens Society of Christian Service will be held at Sandwich, Wednesday, Sept. 18. Members planning to attend should make reservations by Sunday, Sept. 15, with either Mrs. Wendell Morrison or Mrs. Ben Day. They will leave the church Sept. 18 at 8:45 a. m.

Mr. and Mrs. Edward Dorband of Blue Island were dinner guests of Mr. and Mrs. Elmer Batson Sunday.

Mr. and Mrs. Roy Battenhouse and daughter Marie of Bloomington, Ind., were week end guests of Mr. and Mrs. Wendell Morrison.

Miss Janet Bauch left Monday to enter the Illinois Wesleyan University at Bloomington.

Mr. and Mrs. Leroy Mager and son Allen motored to Cleveland, Ohio, Sunday where Allen entered the Case Institute of Technology.

Mrs. Emma Gierke was honored Sunday by a family gathering held in the home of her daughters, Mrs. Amanda Mark and Sadie Erdman. The event was her 88th birthday. Dinner and supper guests were Mr. and Mrs. Henry Kuch; the Reinhardt Gierke family and the Harold Gierke family both of Kankakee; Mr. and Mrs. John Karlock and family, of Manteno; Mr. and Mrs. Peter Kokal and Mr. and Mrs. Peter Kokal and Mr. and Mrs. George Baughan and families of New Lenox; Mr. and Mrs. Robert Erdman and son, Mokena; Mr. and Mrs. Lester Erdman and son, Lockport; Mr. and Mrs. Clinton Mark and family, Green Garden. Mr. Mrs. Edwin Gierke and family and Mr. and Mrs. Delbert Seeman and son Allen.

A group of ladies of the Womens Guild of St. Peters church spent Monday afternoon with Mrs. Gierke in honor of the occasion. To honor the 13th birthday of their son Robert, Dr. and Mrs. O. J. Novota had dinner Monday evening at the Valley View restaurant.

Elaine Marie was the name given the infant daughter of Mr. and Mrs. Dan Hecht when baptized Sunday morning by the Rev. Ben F. Day during the worship service. Sponsors were Miss Doris Bauch and Charles Illing.

Later a dinner was served at the home of the grandparents, Mr. and Mrs. Arthur Bauch. Guests were Mr. and Mrs. Charles Illing and sons of Blue Island, the Rev. and Mrs. Ben F. Day and Debbie, the William Hechts of Mokena, Mr. and Mrs. Anthony Laurie and sons, Miss Doris Bauch of Chicago, Miss Lorna Miller and Katharine Heisner. Later in the afternoon Mr. and Mrs. Walter Kopman and daughter Barbara of Wilton Center and Henry Krapf of Peotone called at the Bauch home.

The senior MYF of the Methodist church with their pastor the Rev. Ben F. Day and sponsors, Mr. and Mrs. Harry Miller

enjoyed a weekend retreat in a cottage at Bass Lake, Ind. Members attending were the Misses Ruth Ann Rainford, Nancy Heisner, Donna Miller, Charles Otto, Charles Mark, Bruce Lewin, Charles Miller, John Boyson, Glenn Patterson, and Laverne Mark. Plans were made for the coming year of activities and program. Evaluating the past year's program as a basis for planning, one activity or project was scheduled for each month. Operating on a 'camp type' schedule, every one enjoyed boating, swimming and table games in addition to planning sessions.

Mr. and Mrs. Franklin Bunge of Spring Grove, Minn., spent the past week with the Rev. and Mrs. Erich Bizer. Sunday evening they attended the graduation exercises of the Bunge's daughter Miss Eleanor Bunge, a nurse at the Lutheran Deaconess hospital in Chicago.

Robert Bizer of Sycamore was a weekend house guest of his parents, the Rev. Erich Bizers.

Florence Reardon of Waukegan visited with Mr. and Mrs. Henry Mark from Thursday till Sunday.

Sunday evening a group of 24 members of the Methodist church including their pastor and wife toured Stateville penitentiary.

GREEN GARDEN

Mrs. Katharine Heisner

Legion Now Ready To Help Vets With NSLI Questionnaire

Some 25,000 survey questionnaires have been mailed to veterans who are carrying NSLI

insurance and who are paying their premiums out of their monthly compensation checks. These veterans will be given an opportunity of accepting their dividends or having it apply to their monthly or yearly premiums—thus reducing the premium reductions from their fu-

ture compensation checks. They will receive the questionnaire with an explanation and will be permitted to exercise their choice in the option. Return envelope is provided for their convenience. The American Legion believes

that this new plan would be of great benefit to the most of the NSLI policy holders especially those who are carrying their insurance on the term plan. The Legion also urges veteran receiving the questionnaire consult his local post service officer of

Enter the Penny Flame

GAS "Burner-with-a-Brain" BIG PRIZE Contest

1ST PRIZE \$1000⁰⁰

**2nd PRIZE \$500⁰⁰; 3rd PRIZE \$250⁰⁰
plus BONUS AWARDS!***

Here's all you have to do!

1 See the Wonderful GAS "Burner-with-a-Brain"

Just go to your nearest Northern Illinois Gas Company store or any gas range dealer located in the area we serve. There, you'll learn about the marvelous new gas "Burner-with-a-Brain"! You'll discover for yourself how automatic modern GAS cooking can be. You just dial the temperature you want and heat is perfectly maintained by a dependable thermostatically controlled device, called the "Burner-with-a-Brain". It makes your pots and pans automatic! Food can't scorch or burn . . . you can relax instead of being chained to the kitchen "watching the pot".

2 Obtain an Official Entry Blank!

Ask for an official entry blank at the store where you see the GAS "Burner-with-a-Brain". Complete the statement in 25 words, or less, on why you like the GAS "Burner-with-a-Brain". That's all you have to do. Another nice thing about this contest is that it's limited to you and your neighbors served by Northern Illinois Gas Company . . . so you have a better chance to win! Don't delay . . . contest closes midnight, Saturday, November 30, 1957.

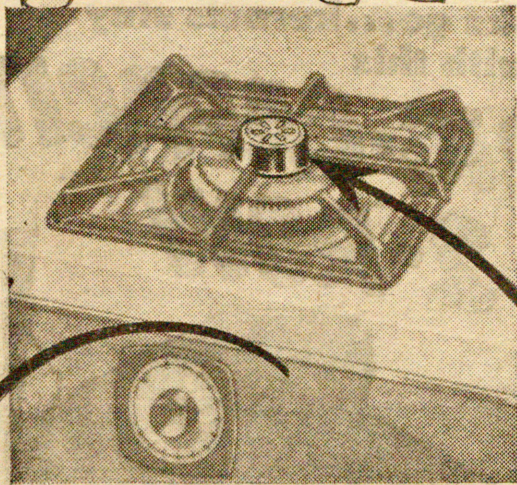

* Special Bonus Awards, too!

Prize winners will be given a special bonus award if they have purchased a gas range during the contest from Northern Illinois Gas Company, or a gas appliance dealer located in the area we serve. This award will be in an amount equal to the purchase price of the range bought by the prize-winner.

Get official entry blanks at your Gas Range Dealer or our nearest store.

PROMPT... COURTEOUS... DEPENDABLE SERVICE

**THIS IS THE FAMOUS
"BURNER-WITH-A-BRAIN"**

. . . It's the really automatic burner that adds exciting new delight to all top of the range cooking—to more than 80% of your cooking duties. All you do is set the dial to the cooking temperature you wish, just as you do with your gas oven. Then the "Burner-with-a-Brain" takes over, raises and lowers the flame to maintain that temperature precisely, for as long as you like.

. . . And this self regulating top burner is just one of the many convenience features of the wonderful AUTOMATIC-ALL-THE-WAY 1957 GAS RANGES!

MARLEY

Mrs. Virginia Sproat
New Lenox 3133

The annual supper and bazaar given by the Marley Missionary society will be held in the church Thursday evening, Sept. 19. A turkey dinner will be served beginning at 5 o'clock. The bazaar booths will offer homemade candy and bakery, country store produce, aprons, fancy work and rugs. There will also be a grab bag for the children.

The Jolly Neighbor's pinocle club met Wednesday night in the home of Mrs. Otto Moravec. Prizes were awarded to Mrs. Clarence Troutman, Mrs. Charles Elliott and Mrs. John Hasibar. Mrs. Roy Chaplin, who has moved to Naperville, was honored with a handkerchief shower.

Charles Ingram returned home Thursday after being a patient in Silver Cross hospital for the past three months. Mr. Ingram suffered serious injuries in an auto accident on Route 6 near Cedar road on June 16. He is much improved and is able to be about on crutches for short periods of time.

Mrs. Adella Sproat and Mrs. Robert Sproat and children Laurel and David were Oak Park shoppers Thursday.

Mrs. Bea Coe, Mrs. Louise Cutler and Mrs. Mary Marshall were visitors Sunday afternoon in the homes of Mrs. Will Fry and Mr. and Mrs. George Brisbane in Plainfield.

Mr. and Mrs. Fred Sievert of Cassopolis, Mich. were overnight guests Friday of Mr. and Mrs. Charles Elliott.

The Marley BYF will meet in the Marley church, Sunday, Sept. 15 at 7:30 o'clock.

HOMER

Lockport, R. 1
Telephone Lockport 887W

Judging from the rash of building permits recently issued to Homer township builders, it would seem that the area is fast losing its typically rural aspect. Small Homes Corporation of Joliet has permits for 10 new homes on 145th and 146th Places estimated in cost from \$7,250 to \$9,100. Among the individual permits are those of Godfrey Larson of Chicago for a five roof brick veneer on 147th st. 1/4 mile west of Church road; John Garrabrand on East Division st., east of Parker road; F. E. Boatright of Lemont to build on Smith road south of 143rd; Homer Dolde of Chicago on Parker road 1 1/2 mile south of Rte. 7; George E. Fries of Lemont to build a \$10,000 house on Smith road south of 143rd; William Johnson of Hillcrest road, a \$7,000 frame home on Church road and Roy F. Watts of Blue Island, a \$15,000 brick and frame on Oak ave. in north east Homer.

Mr. and Mrs. John Reiter have returned from a week's vacation trip to Houston, Texas where they visited her brother, Walter Geist.

Mrs. Irving Volrath of Lemont spent several days in the home of her sister, Mrs. Ralph Waldvogel, while she was convalescing from recent major surgery. Mr. and Mrs. Elwyn Reed have returned from a vacation trip; during their absence Mrs. Edna Mergler stayed in their home.

The Gene Andersons spent a few days last week in northern Michigan; the Edward McGuires of Manhattan were in the same party.

Faye Anderson participated in the Lemont Keopataw parade on Labor Day. She led her group in baton twirling.

The Kenneth Courtwright family have moved from the Warren farm to their own home in Joliet.

Gary Cobb was hospitalized a few days last week for medical treatment.

The Junior Westminster group from First Presbyterian church, Joliet, met in the Ray Carlson home last Sunday with Douglas Carlson as host. They enjoyed swimming, picnic lunch and an outdoor vesper service.

Church Notes

The Rev. Stephen Matheny of Flagler, Colo., who presented a

Treasury Warns Against Use of Bonds in Chain Letter Schemes

The U. S. Treasury is cautioning the public against the current rash of Savings Bonds "chain letter" schemes.

"U. S. Savings Bonds themselves are an absolutely safe investment, free from elements of risk because the principal and interest are fully guaranteed by our government," T. Merle Paul, State Savings Bonds Director said today. "However, these schemes for squiring Savings Bonds for nothing are as risky as gambling."

He said that "the post office department's experience with endless chain schemes over a period of many years is that most participants lose their entire investment. This outcome is inevitable because the supply of interested persons is soon exhausted. The greater the amount to be invested, the sooner the saturation point is reached."

Opposes Plan

"Some organizers of the new 'chain letter' plans imply that the government and banks approve of the idea in order to increase bond sales," Mr. Paul continued. "This is not true. The treasury department, thru the Federal Reserve Bank, has instructed bank and other issuing agencies to reject applications for the purchase of savings bonds where the applicant states or where the issuing agent has reason to believe,

trial sermon at Homer church Sept. 1, was entertained at dinner in the John Hollister home. Other guests were Mrs. F. J. Padock, Mr. and Mrs. Jerome Padock and Jerry.

Choir practice was resumed Thursday night after a summer vacation, and will be held each Thursday evening, directed by Mrs. John Hollister.

Sept. 22 the Pilgrim Fellowship will resume regular meetings.

Sunday, Sept. 15, following the morning service, a short business session will be held to vote as to whether the church will join the new merger group or remain a continuing congregational church. All members should be present and voice their opinion.

The Rev. Harold Finley will be in charge of the service again that day.

The opening meeting of the fall for the Homer Woman's club was held Wednesday in the home of Mrs. Fred Petges with Miss Ida Harrington assisting. The new president, Mrs. George Ott, presided and the program was in charge of Mrs. Tess Markiwicz.

that the bonds will be used in the chain letter scheme."

He reported the Treasury's stand was taken more than two years ago when the chain-letter device involving savings bonds was first brought to its attention. The scheme, then as now, was felt to be contrary to the government's intended purpose in selling savings bonds to the public.

"Savings bonds are issued primarily for the purpose of enabling individuals and families to save safely and regularly for important long-range goals", Mr. Paul said. "The treasury wants to sell as many bonds to as many Americans as possible—but always within the framework of thrift, and not as a vehicle for this or any other 'get-rich-quick' scheme."

N. U. Offers Night Courses

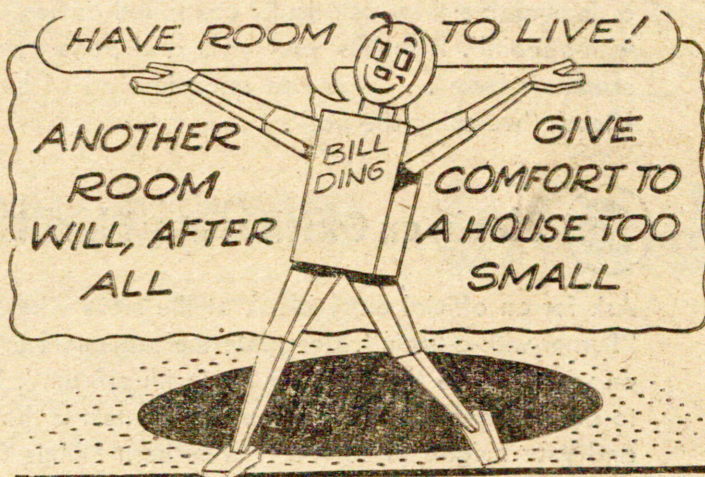

Registration opens next week for credit courses in the evening divisions of Northwestern university. Courses are offered on both the Chicago and Evanston campuses.

Chicago campus registrations may be made at Wieboldt hall, 339 E. Chicago ave., Chicago, from 4 to 8 p.m., Thursday and Friday, Sept. 12 and 13, and from 10 a.m. to 3 p.m., Saturday, Sept. 14.

Evanston campus registrations will be taken at Wieboldt hall and at Kresge Centennial hall, Sheridan rd. at Hinman ave., Evanston. Registration at Kresge Centennial hall will be from 5:30 to 8 p.m. on Monday and Tuesday, Sept. 9 and 10.

More than 300 courses will be presented on the Chicago campus, with 55 courses offered on the Evanston campus. Both pro-

One-third of Home Building In County Is Taking Place In Area

Of the 57 homes for which building permits were issued by Will county in the past month, a third of them, 19, are in this area.

The county issues permits for building in unincorporated areas. The total cost of all the construction begun in such areas in the county under this last report was given as \$1,014,963. This, of course, included commercial buildings and remodeling jobs.

In the 19 homes in this area for which permits were given no remodeling jobs or additions are included. The cost of building these 19 dwellings, according to the information given at the time the permits were obtained is \$228,000.

A. S. Duncan, Mokena, obtained three permits for homes in that community, a 7-room frame on the south side of Elmwood court between Hickory creek and Wolf road for \$15,000, a 6-room frame home on the east side of the gravel road in the same subdivision, costing \$12,000 and the other on the north side of Elmwood costing \$15,000.

Henry R. Fox, New Lenox, also obtained two permits one for a 5-room frame dwelling on the north side of Francis road, East of Elm street, New Lenox, costing \$9,000, and the other at the northeast corner of Elm and Barbara, in New Lenox, costing \$10,000.

Michael Gosach, Joliet, is building two five room houses in New Lenox, each costing \$14,000, one at the northwest corner of Michael Lane and Cedar road and the other on the north side of Michael Lane between Cedar and Elm street.

Raymond F. Bisgrove, 227 Division st., Mokena, a 5-room frame home and garage on the east side of Cooper st., south of U. S. 30, New Lenox, \$10,000.

Walter G. Edwards, Mokena, is building a 5-room frame house and garage there on the east side of Edgewood Lane between Brightway North and Edgewood drive, \$15,000.

David R. Larson, Joliet, is building a 5-room frame home on the north side of U. S. 6, half a mile east of Gougar road, New Lenox, \$10,000.

Leonard Nichols, Chicago, is building a 5-room frame house on the south side of Hillside, west of the Old New Lenox road New Lenox, \$14,000.

Irene Kluth, Chicago, 6-room brick house, three-quarters mile south of Rock Island tracks west of Wolf road, across from St. John's cemetery, \$15,000.

John Steinbrenner, Chicago, 4-room frame house, west side of Cedar road, north of Francis road, New Lenox, \$5,000.

William J. Little, Rt. 1 Mokena, 5-room frame, south side of Regan road, east of Haley road, Marley, \$6,000.

Herman R. Beck, 323 Pine street, New Lenox, 5-room frame home, west side of Pottawatomie, north of Arrowhead road, New Lenox, \$12,000.

Fredin Construction Co., New Lenox, 5-room frame and brick northwest corner Edgewood and Brightway, Mokena, \$15,000.

George E. Fries, Lemont, 5-room frame, east side Smith road, south of 143rd street, Homer township, \$10,000.

F. E. Boatright, Lemont, concrete block house south side of 143rd street, east of Smith road, Homer, \$4,000.

Godfrey Larson, Chicago, 5-room brick veneer, 147th street, quarter mile west Church road, Homer, \$7,000.

John T. Garrabant, Rt. 1, Lockport, 5-room brick, north side Division street, half a mile east of Parker road, Homer, \$14,000.

Gas Co. Defers Financing Plans

Northern Illinois Gas Company, as a result of a downward revision in its cash requirements forecast, has deferred until the first half of 1958 its public financing previously planned for early this fall. Marvin Chandler, president of the utility, disclosed today.

"The smaller requirements," Chandler said, "now estimated at about \$3 million for the duration of 1957, can be met by temporary bank loans which, because of the seasonal nature of our business, can be expected to be paid off in full next spring."

Early in July the utility had announced tentative plans to raise between \$8 million and \$10 million in the latter part of September. "The reduced need for funds was disclosed in a review of our construction program," Chandler stated. "Principal factors were the slackened pace of new home building being experienced in northern Illinois and common to the country at large, and the postponement of our proposed propane cavern storage project."

Chandler disclosed that Northern Illinois Gas had arranged for a one-year \$5 million total line of credit with five major Chicago banks. Borrowings will be at the interest rate for bank borrowers with prime credit standing (currently 4½%) and may be repaid at any time without penalty. The line of credit carries no commitment fee.

The participating banks are Continental Illinois National Bank and Trust Company of Chicago, The First National Bank of Chicago, The Northern Trust Company, Harris Trust and Savings Bank and LaSalle National Bank.

Pokagon Trails Council Holds Annual Election

Abe Davis of Homewood has been reelected president of Boy Scouts of America Pokagon Trails council, which this year registered its 10,000th Scout, a growth of 3,000 in three years.

Vice presidents are Harold Finkel of Chicago Heights, Walter Elder of Homewood and Don Hynes of Whiting. Milton H. Waterman of Harvey is treasurer and Richard Curtis of Dolton is commissioner.

National council representatives are Arthur Ahrendt and Otto Shander, Chicago Heights, Nick Fagen of Dyer, Rex L. Hidy and Arthur Weiss of Hammond, Joe Swingle of Homewood, Henry Kuehl of Munster, and Don Hynes and Carl Schroeder of

Whiting.

Raymond J. Donovan of Calumet City is Scout executive and Joe Claffey of Hammond is assistant Scout executive. District executives are Joseph Koshut of Chicago Heights, Peace Pipe; Dale Loekle of Munster, Ashkum; and Ray C. Radeke of Park Forest, Potawattomi.

Pokagon Trails council's 10,000 boys include 6,000 Cubs, 3,000 Boy Scouts, and 1,000 Explorers. There are approximately 3,000 adult leaders, including 600 den mothers for Cubs and 2,400 men Scouters for Cubs, Boy Scouts, and Explorers.

The council serves three districts of 38 communities in Illinois and Indiana. It has headquarters at 5217 Hohman ave., Hammond, a summer camp at Camp Betz near Berrien Springs, Mich., and four week-end camp sites at Camps Eggers, Hawes, Nissaki, and Roe.

Urges Drivers to Fight Unjust Traffic Cases

Illinois motorists should defend themselves in court against unjustified traffic tickets to protect their driving privileges, advises the Chicago Motor club.

Under the Illinois driver's license law the secretary of state may suspend the driver's license of a motorist convicted of three "moving" traffic violations committed within any 12 months period. "Conviction" includes pleas of guilty and bail forfeitures.

The motor club said that some persons whose licenses have been suspended claim they were not "actually guilty but pleaded guilty merely to avoid inconvenience."

To avoid "undeserved" suspension of a driver's license, the club recommends that no person who thinks that his traffic arrest was unjustified should plead guilty.

Commented Charles M. Hayes, guilty merely to avoid the ex-motor club president, "To plead pence and inconvenience of

standing trial may have serious consequences if it leads to the undeserved loss of driving privileges."

The postmaster general reports that more medical quackery is being promoted thru the mails than ever before, at an annual money loss to the public of at least \$50 million a year. Some of the most common frauds are "sure cures" for cancer, arthritis, baldness and impotency.

NEW LENOX

Delores Anderson
Phone 3651

Miss Marion Nelson, who will be married Oct. 26 to Harry Geyer was the honored guest at a surprise miscellaneous shower given Friday night, Sept. 6.

Hostesses were the misses Carol and Glenna Smith, in their home on Route 6. They presented Miss Nelson with a corsage of pale yellow gladioli. Novel games were played and a prize was awarded to Miss Barbara Sayers. The guest of honor received a duplicate prize, as well as many nice gifts from the guests. Pictures were taken while opening her gifts. Guests were the Mesdames, Arthur L. Nelson, Mrs. Dora Smith, and the Misses, Janet and Judy Feil, Janet Hunt, Barbara Sayers, Dorene, Glenna and Carol Smith, Jane Oram and Anita McMahon.

Mrs. Llew Eggers and infant son, Alan Robert, returned Sunday from Silver Cross hospital. The new baby, born Aug. 31 weighed five pounds, nine oz.

Mrs. Ernest Pfeifer will entertain the members of the Amite Sewing club in her home Tuesday night, Sept. 17.

The Homemakers group of the PTA will meet Thursday, Sept. 19 at 7:45 p.m. in the home of Mrs. Sam Carr on Prairie road. Mrs. Frank Zanor will be the assisting hostess.

Mrs. Lula Stauffenberg of Manhattan is visiting here with her brother, Mr. and Mrs. Ernest Pfeifer.

Ernest Jenkins, 125 Haven ave. has returned from Kentucky where he enjoyed a hunting trip with friends.

Mr. and Mrs. Ernest Pfeifer entertained Sept. 4 at a 5:30 dinner honoring Mr. and Mrs. Ben Scherpe who are visiting here from Florida. Other guests were, Mrs. Lula Stauffenberg, Fred Heisner, Frankfort; and Mr. and Mrs. Harlow Jensen and family.

The tenth and last meeting of the season for the New Lenox Cardinals 4-H club was held Sept. 4 in the home of Mrs. James McCure, leader. Carol Spector gave a talk entitled, "How to Press a Garment." "Cleanliness" was the title of a talk given by Stella Daugherty. Joan Zuzag talked on "Our Trip to the Style Show." All the project record sheets were completed and handed to the leader. A cook-out is planned for Sept. 19 at the home of Jane Oram.

The Woman's Guild of Grace Episcopal church will meet Thursday, Sept. 12 at 8 p.m. in the home of Mrs. Lucy Mansfield. Miss Ethel Tucker will be co-hostess.

Mr. and Mrs. Erwin A. Lynk, Maple road have had as their guests their neices, Miss Helen Bliss of Washington, D. C. and Mrs. George Crosbie of Boston, Mass.

Marc Stockley, little 2½ year old son of Mr. and Mrs. G. Robert Stockley, Jr., fell and broke his leg between the hip and knee, while at play in his home Tuesday morning, Sept. 4. He was taken to Silver Cross hos-

pital where he will lay in traction for 6 weeks.

The Buttons and Beaux Square Dance club will meet for their first square dance meeting of this season, on Friday, Sept. 13 in the Grace Episcopal church hall, starting at 8:30 p.m. Fred Feil will be the caller. Anyone wanting to square dance or to learn are cordially invited to attend.

The Men's club of the Methodist church will meet Wednesday night, Sept. 18 for a dinner meeting at 7 o'clock in the church dining room. Plans will be made for their Ladies Night to be held next month.

The Woman's League of the Trinity Lutheran church will hold a Tea and Fashion Show Tuesday, Sept. 24 in the church dining room beginning at one o'clock. Mrs. Grace Mitchell is chairman in charge of the affair.

Ernest Jenkins returned over the week-end from Kentucky where he enjoyed a hunting trip with friends.

C. H. Cook, 114 Third avenue underwent surgery recently at Mayo Brothers in Rochester, Minn. He is expected home the latter part of this week. Mrs. Cook and daughter Judy who spent a week with him there, have returned home.

The Woman's Society of Christian Service will meet Wednesday at 8 p.m. in the church. Devotions will be given by Mrs. Paul LaVinn. Mrs. W. J. Pester will give the lesson on, "A Mission Cinerama". Special vocal music will be furnished by Mrs. Tom Connolly. Mrs. Lloyd Berlin will be the chairman of the hostess committee for the refreshment and social hour which will follow. All women of the church and friends are cordially invited to attend as well as all woman society meetings. On Thursday evening the senior choir of the Methodist church will meet for the first rehearsal of the Fall season. All former members of the choir and anyone interested in singing is urged to come and join the choir. Rehearsals are held each Thursday evening at the church.

Mr. and Mrs. Fred Woeltji and son, Don, of Little Rock, Ark. and friends of Don, arrived here Monday for a visit with their cousins, Mr. and Mrs. Earl Schroeder and family. Before returning to their home, they will take Don and his friends to Indiana, where they are enrolled in the college at Notre Dame. Mr. Woeltji is a former New Lenox resident.

Members of the Civic Music association are reminding those who want to purchase membership tickets to this year's concerts, that they may be gotten only this week, Monday, Sept. 9 thru Sept. 14 and can be had by contacting Mrs. Howard Ayres, at New Lenox 8211, Mrs. Kenneth Tauber, 8517 or Mrs. William Penn, 3601. One of the programs this year, will be the St. Louis symphony.

The New Lenox Woman's club will meet Tuesday, Sept. 17, in the home of Mrs. Roy Dowle, 208 E. Haven ave., at 1:30 p.m. Mrs. Amos O. Bruns will be assisting hostess.

The Friendly Neighbors club will meet Thursday, Sept. 12 in the home of Mrs. Ruby Pape for a box luncheon.

For the 2nd consecutive year New Lenox horse owners won

trophies and blue ribbons, at the 12th annual Plainfield Horse show. Brilliant Fashion owned by Mr. and Mrs. Robert Brown, E. Water st., and driven by Robert Brown, placed first in the driving class; and Ginger Play Girl owned by Mr. and Mrs. E. C. Olsen, and ridden by Mrs. Olsen of Shady Acres, took the trophy and blue ribbon in the English Pleasure class. These riders won in the same class last year at the same show.

Bill Clark served as toastmaster, at the dinner meeting Monday night for the Toastmasters' club, in the Methodist church. Paul Kaffman was topicmaster, and speakers for the evening were, Stanley Gilmore, Ernest Hoefer, Lewis Loebe, Kenneth Tauber, and John Richison. Elias Brown was master evaluator, and Lester Brown, Bill Heidrich, John Minion, and Kenneth Mills were evaluators. John Burlingame gave the invocation and benediction, Earl Moss, timekeeper, and Bill Wilson, wordmaster. When the club meets, Sept. 23, Stan Gilmore will be the toastmaster, and speakers will be, Earl Moss, Elias Brown, John Minion, Bill Wilson and Paul Kaffman.

Mr. and Mrs. Roy Smith moved from Symerton last week to 228 Oak st., New Lenox. The Smiths have a 2 year old. Mr. Smith works at the Fisher Body plant at Willow Springs.

Andree J. Ledebuhr, route 1 New Lenox, has entered Augustana college in Rock Island.

No one would have crossed the ocean if he could have gotten off the ship in the storm.

a NEW IDEA in mounted pickers

- Snapping rolls can be spaced, easily, from tractor seat.
- Gathering unit and elevator ear deflector are controlled from tractor seat.

At last! A 2-row mounted picker with truly ample husking capacity. Weight of biggest husking bed on any mounted picker shared by trailing unit wheels. Ten 40 inch husking rolls and 10 individually operated presser wheels get all the husks. Snapping and husking rolls are same type as those

on state and national contest-winning New IDEA pickers.

You can change this New IDEA mounted picker to a new or different tractor by an inexpensive switch of mounting brackets. Lets you change tractors without penalty — assures higher resale value.

The logical picker for tomorrow's bigger yields

FARM NEWS

assistant farm adviser

For
Cook County
by
W. F.
Whiteside

I accompanied the directors of the Soil Conservation district on a tour of several farms to inspect conservation practices. Charley Fletcher, soil conservationist for the district, led the district chairman, Melvin Rohling, Matteson and Art Brandau, Tinley Park were directors who went on the tour.

We visited the Marvin Cooper farm, Orland township, and saw a rotation being used on the farm. A rotation is planned sequence of crops for a given number of fields for a certain number of years. Using rotations helps control weeds, insects, and diseases, provides for an even feed supply for livestock and helps control soil erosion and improve soil fertility. The rotation on the Cooper farm provides for rotating pastures as well as hay, corn and oats for feed.

Slows Water Flow

On the Fred Rauch farm, Orland township, we saw a fine stand of birdsfoot trefoil. The trefoil was established as part of a pasture renovation project. After a year of corn, a bushel of oats and five pounds of trefoil were sown per acre. The legume is difficult to establish, but is very hardy and will stand hard grazing. The Empire strain of trefoil was used in this project.

On a farm owned by Mrs. A. B. Huttig, Homewood, we inspected a newly designed farm pond. Only recently completed, it was dry and details of construction were easily seen. A stock watering system was incorporated into the design of the pond.

Strip cropping is also practiced on this farm. This is alternate strips of intertilled and grass or legume crops. This farming method serves to slow down the water as it moves down the slope.

In the afternoon Bill Stelter and I went up in a plane and looked over the district from the air. Erosion and "bald" knolls became more apparent from up there. Also, very much in evidence were depressional areas drowned out by the flood of July 12.

This trip was a great experience. A conservation airlift of farmers in the district would be most enlightening to them. Would recommend such a project in the future.

The Hessian fly is a potent threat to wheat growers this year. Farmers should certainly strive to observe the suggested seeding dates of September 19-22. These dates are suggested for Hessian fly control and are also the dates that have given maximum yields of wheat over a period of years.

When it comes to sowing seeds of safety, one need not wait for the proper season, moisture or other favorable conditions.

As pasture grasses become more mature, the fiber content increases and the protein content decreases rapidly. This means that you will want to increase the protein content of

your grain mixture if your pastures are made up primarily of grasses. A grain mixture containing about 14 to 15 per cent total protein should be adequate. Feed the grain to cows according to their production.

The oat variety trial on the Owen Maue farm shows results comparable with other locations in the state and with yields on individual farms in Cook county. The top yielding variety was Clintland, with a 50.25 bushel per acre yield. The only variety standing at harvest was Minhafer, a new oat developed in Minnesota. It is not yet recommended in Illinois but merits consideration in future years. The yields and test weights of the other varieties are shown below. Rust and a severe storm caused considerable lodging in all varieties. Clintland and Newton weren't lodged as badly as the other varieties.

In general, severity of rust is closely correlated with the lighter test weights. It is emphasized that this is a one year test, with rather unusual weather conditions, which will affect performance of individual varieties.

Variety	Acre Yield	Test Weight
Clintland	50.25	37.5
Minhafer	44.50	38.0
Newton	41.7	35.0
Nemaha	38.5	35.5
Fayette	38.5	33.5
Beedee	35.5	36.0
Logan	34.8	27.0
Clarion	34.0	30.0
Clinton II	27.75	25.5
Putnam	23.3	32.0
Garry	21.0	22.0

According to Dr. R. W. Bartlett, professor of agricultural economics, U. of I., the cost of receiving, processing, packaging, storing, selling and delivering, and the profit received from milk distribution may vary widely in different markets.

In 1956, consumers in Chicago, St. Louis and Indianapolis would have paid 9.42, 9.57 and 10.77 cents respectively, per quart of milk if farmers gave away their milk free. The average milk distribution margin for 24 large cities is 9.47 cents per quart. Farmers in this area have been averaging about 7.5 cents per quart for their milk.

A contented mind is the greatest blessing a man can enjoy in this world. —Joseph Addison

A great man shows his greatness by the way he treats little men. —Carlyle

LINCOLNWOOD

Mr. and Mrs. Ronald Crisman returned Monday from Ankeny, Iowa where they visited for a few days with Mr. and Mrs. Robert Gray and family. While they were gone, Candy and Jeff Crisman stayed in New Lenox with their grandparents, Mr. and Mrs. Harvey Frick.

Dr. and Mrs. Ralph Wright and family had as their house guests over the past week-end, her sister and brother in law, Mr. and Mrs. Dale Wilcox and daughter, Beth of Waverly.

Mr. and Mrs. Clare Newman and sons Mike and Jeff left Friday morning for their home at Baton Rouge, La., where Mr. Newman was transferred in his work with the U. S. Rubber Co.

Mrs. Vernon Newsome and children, and Mrs. Leonard Konkel and children spent last week in a cottage at Bass Lake, Indiana.

Mr. and Mrs. William Trench and children of Peru, have purchased the Clare Newman home on Indian Mound Drive, and moved into it this past week.

Although the exact process of the formation of a hurricane is not known, conditions generally favorable for the start of a storm are light variable winds, high humidity, low atmospheric pressure, and strong solar heat, according to data compiled by the Navy's Hurricane Hunters.

A Labor Department analysis says that industry's labor costs increased 61 per cent in the past 10 years as against only a 26 per cent increase in labor's average productivity. National Review points out that the difference "could be bridged only by price inflation."

Read Luke 24:13-21.

Jesus himself drew near, and went with them. (Luke 24:15.) When Hugh Price Hughes was head of a London Mission, he received from an unbeliever a challenge to debate the truth of the Christian faith.

In accepting the challenge, Mr. Hughes made this statement, "I will bring with me to the debate one hundred men and women who have been saved from lives of sin by the gospel of Christ. They will give their evidence, and you will be allowed to cross-examine them. They will be men and women reclaimed for Christ from the vices of drink and intemperance. They will be persons walking in newness of life, witnesses of what God's redeeming love can do for the lost and the least. I will ask you to bring with you one hundred men and women who have been similarly helped by the gospel of infidelity which you preach."

A throng came to hear the debate. Mr. Hughes marched in with his hundred. The challenger and his witnesses never came. The minister and his friends made the meeting one of joyous Christian witness.

PRAYER

O living Christ, Thou hast appeared unto Thy disciples in many ways through the centuries. Help us to have sensitive hearts to recognize the ways in which Thou dost draw near to us. Help us to walk with Thee. In Thy name we pray. Amen.

THOUGHT FOR THE DAY

Christ is with me in worship and work.

Person of Jesus Gives Mankind Picture of God

By REV. JOHN A. O'BRIEN
(University of Notre Dame)
(Paulist Feature Service)

Rufus Jones tells of a little child who was being put to bed by his mother. After she had given him her good-night kiss, she turned out the light and started for the door. Suddenly the little child realized the loneliness and the darkness which he would be enduring alone.

"Am I to be left alone, and in the dark, too?" he asked anxiously. "Yes, my dear," replied the mother, "but you know you have God with you all the time."

"Yes I know God is here," said the child, "but I want someone who has a face."

Such too is the anxious, wistful cry of all humanity. We know that God is near us, but we want to have a more vivid sense of His reality. We want to experience His presence in our world.

The best picture we can ever acquire of God is that afforded by the person of Jesus Christ, the untarnished mirror of the Most High. "No one has at any time seen God," declared St. John. "The only-begotten Son, Who is in the bosom of the Father, He has revealed Him."

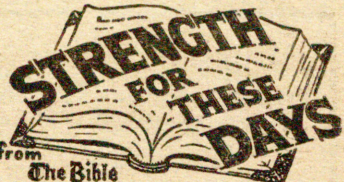

Uniting in Himself the nature of man and the nature of God, Christ gives us a better and a truer picture of God than can the philosophers, prophets, and be found in the writings of all mystics since time began. God stands revealed in the character of Him Who cleanses the lepers, restores sight to the blind, forgives the woman taken in adultery, and sheds His blood for the redemption of mankind.

We see and hear God as we see Jesus walk over the dusty roadsides of Judea and Galilee and hear Him say to His disciples: "Learn of Me, for I am meek and humble of heart."

It was His ministry of mercy and love that inspired His disciple, St. John, to give the noblest definition of God ever uttered, when he said simply, "God is love." We cannot understand the essential Christian message that God is love until we have seen our Lord. It is by reading the Gospels that we see Christ living.

When Christians have allowed this vision of a God of love to fade, and to be replaced by a God of vengeance, cruelty, and wrath, they have stained the pages of history with some of the worst crimes in its annals. But when this vision has remained, it has inspired the noblest enterprises of Christianity.

Man has never been satisfied to know God in the abstract. We want to see Him and discover Him as a real person with an actual life and character. This is what Christ does for us. It is in him that the face is seen and the personal character is revealed.

When I consider Thy heavens... the moon and the stars which Thou hast ordained; What is man, that Thou art mindful of him?—(Psalm 8; 3,4).

How almost unbelievable—but how wonderful—it is that Almighty God, Creator of all the vast universe should none-the-less, in infinite loving-kindness, have heed of even the least of us mortals!

P.T.A. News

Executive Board Tea

First grade mothers of Bert H. Fulton school were entertained in the village hall last Thursday afternoon at an informal tea given by the executive board of the Tinley Park Parent-Teacher association. Fifty-seven guests were greeted at the door by Mrs. Elmer Knudsen, president, and Mrs. Kenneth Schmudde, vice president.

Mrs. Knudsen introduced the members of the PTA executive board, Mrs. Jean M. Rauhoff, principal of Bert H. Fulton school, and Walter F. Fierke, superintendent of schools.

Supt. Fierke stressed the need for parents to understand the many-sided personality of today's child. In an accelerated and changing world, he pointed out, children need closely cooperative efforts of both parent and school to guide them.

TINLEY PARK UNIT

Tinley Park Parent-Teacher association members holding their first fall meeting last Friday night, in the Tinley Park school auditorium met the members of the school teaching staff, the board of education and the PTA executive board.

Mrs. Elmer Knudsen, president, introduced Walter F. Fierke, superintendent of schools who stressed the importance of parental contact with the school, teachers, and other parents. He stated that the building program, which will eliminate the present double shift in the fourth grade, is proceeding rapidly and should be completed by February.

Of interest to the public is the Golden Jubilee scholarship, included in the PTA budget for 1957-58. This scholarship fund helps to finance worthy, prospective teachers in their education, and guarantees that they will teach for at least a minimum period in the state that has financed them.

Plans for "Family Fun Night", the annual PTA fund-raising project, were outlined by Mrs. James Elliott, Ways and Means chairman. It was set for Oct. 18.

In an informal skit, Mrs. Walter Barton, publications chairman, assisted by Mrs. William Wallenbecker, dramatized the usefulness of articles in the National Parent-Teachers magazine.

The attendance award, based on a room count of parents present, was given to Mrs. Philipp's, Room 100 of the Tinley Park school.

The Presentation of Colors was given by the senior Girl Scout troop 225. The Rev. Kenneth Crandall, of the Tinley Park Methodist church, gave the

innocation. Refreshments were served by eighth grade mothers.

Bremen High Unit

Meeting their children's teachers was of special interest to parents at last night (Sept. 11) meeting of the Bremen Community high school PTA.

Mrs. Percy L. Jochum, president, opened the meeting, and announced the new officers to be Mrs. John T. Williams, vice president; Mrs. Joseph Heitman secretary, Mrs. Glenn A. Sharp, treasurer and Mrs. V. S. Miller, historian.

Responsible for co-ordinating the activities of the PTA in the various villages are the regional vice presidents, Arbor Park, Mrs. Edward Drogula; Forest Ridge, Mrs. Robert DuBois; Hazel Crest, Mrs. Earl Oliver; Home wood, Mrs. John Hogan; Markham, Mrs. John Wood; Midlothian, Mrs. William Martz; Posen, Mrs. Edward Novak; Tinley Park, Mrs. Charles Albright.

Departmental chairmen include: Mrs. Allan Howie, budget and finance; Mr. and Mrs. Paul Patterson, hospitality; Mrs. Willard Clark, legislation; Mrs. Conrad Hoyer and Mrs. William F. Thomas, membership.

Mrs. Irene Wakeland, program Mrs. Edw. P. Cebulski, PTA magazine; Mrs. T. K. Tomson, publicity; Mrs. Walter Ketel, safety and health; Dr. H. Conrad Hoyer, scholarship; Miss Mary Alice Smith, student aid; Mr. and Mrs. H. M. Hinman, high school service and Mrs. R. A. Ekstrom Jr., parent education.

The Bremen PTA will meet on the second Wednesday of each month. All members and par-

ents who wish to show an interest in the high school's welfare are invited to attend. Superintendent Birkhead stressed need of cooperation of teachers and parents and introduced the new faculty members.

Doctor School

The Doctor school PTA will hold its first meeting in the new school house tonight, Sept. 12, at 8 o'clock.

Guest speaker will be Norbert Jerling, superintendent of the Orland Park grade school. Mr. Jerling is a former teacher of the Doctor school.

In addition to the planning of this year's PTA activities, members and teachers will have an

opportunity to renew old acquaintances and meet the new people.

All residents are invited to become members of the organization. Refreshments will be served.

Specially equipped Lockheed Super Constellations are used by the Navy's Hurricane Hunters in high level reconnaissance of hurricanes. The 'Connies' are capable of flights up to 18 hours and can either track the path of the storms from a distance of several hundred miles, or penetrate to the center and take soundings of meteorological conditions in the eye.

PTA News

DIST. 19, HIGH SCHOOL

The Dist. 19 High school Council PTA will hold its first meeting of the year at Carl Sandburg high school, 133rd street and La Grange Road, Orland Park, at 8 p.m., Monday, Sept. 16.

The council program chairman Mrs. William Granam, Chicago Heights, has planned a school of instruction in parent teacher work. Round table chairmen are Mrs. Fred T. Millward and Mrs. John Carrington, Oak Lawn; Mrs. Raymond Long, Chicago Heights; Mrs. John B. Hume, Oak Lawn; Mrs. Raymond L. Hemmar, Midlothian; Mrs. Frederick Weiss, Homewood; Mrs. Ted Leber, No. Riverside and Mrs. Martin Siefert, Wilmette.

High schools in Dist. 19 and their PTA presidents are: Bremen, Midlothian, Mrs. Percy Jochum, Tinley Park; Bloom, Chicago Heights, Mrs. Lee Janakoviak, Steger; Evergreen Park, Mrs. Leonard Shenoha, Evergreen Park; Oak Lawn, Mrs. Burness Brady, Oak Lawn; Thornton, Harvey, Mrs. H. Blackstone, Harvey; Carl Sandburg, Orland Park, Mrs. Chester Williams, Orland Park.

The 1957-58 slate of officers and chairmen, which constitutes the executive board of the council follows:

Mrs. Edmund Jaracz, Chicago Heights, president; Mrs. Geo. McNally, Homewood, vice president; Mrs. Fred Hammant, Evergreen Park, secretary; Lyman McKean, Oak Lawn, treasurer; Mrs. Robert Cordes, Chicago Heights, budget and finance; Mrs. George Lundin, high school service, Palos Park; Mrs. Paul Ewing, Homewood, juvenile protection; Mrs. Robert Peabworth, Riverdale, legislation; Mrs. Conrad Hoyer, Midlothian, magazine; Mrs. Henry McIlwaine, Harvey, membership.

Mrs. R. A. Ekstrom, Midlothian parent education; Mrs. William Graham, Chicago Heights, program; Mrs. John B. Hume, Oak Lawn, publication; Mrs. Russell Foss, Palos Park, publicity and Mrs. Donald Degenhart, Harvey, scholarship.

Mrs. Chester Williams and her executive board will be hostesses at the meeting Sept. 16. All chairmen of the high school council PTA are urged to attend this very informative meeting.

Kirby-McIntosh

The Kirby-McIntosh PTA has begun a new system of publicity. They are printing a PTA news sheet what will pertain to all interests of the school and PTA. It will come out once a month and be carried home by the children. Outsiders who would like to have it may send their address to Mrs. Floyd Camfiere, publicity chairman, 17150 Oriole ave.

The immunization program planned for the first week of school was postponed until Miss Mary Stypul, public health nurse, can make the necessary arrangements with the school faculty and the PTA president.

Arbor Park

Arbor Park PTA, Oak Forest, a member of the Southwestern Area council of the Illinois Congress of Parents and Teachers, district 19, will meet at the Arbor Park school today, Sept. 12, at 7:45 p.m.

of the month, "Learning About Highway Safety".

Sgt. W. J. Frega of the county police will speak on "The Child You Save May Be Your Own".

A feature of the meeting will be the introduction of the board of education, faculty, school personnel and the PTA Board members.

Refreshments will be served.

Cooper School Mothers Plan to Improve Grounds

BY MRS. RUSTY WILSON

What will \$300 buy for a brand new school?

This was one of the many exciting questions discussed at a three-hour meeting of the Coopers Grove School Mothers' club. This tiny new schoolhouse sits alone on a wide field, surrounded at the moment by flat farmlands. But the next few months, indeed the next few years, will find this little country school facing enrollment and responsibility far beyond its original plans.

At the first fall meeting of the Mothers' club it was brought out that the new village rising just east of the school site will reach a total of 3,000 homes. This fall alone, three new homes in the subdivision were donated by the builder, Joseph E. Merriam, for school use by the upper grades. At the moment, these older children have no leveled playground and very little athletic equipment. Plans have already been made for graveling a large area around the three plain little buildings. The Mothers' club discussed a special committee which is now raising funds and purchasing athletic equipment for these older children.

Will Join PTA Later

One exciting suggestion was the use of large felled trees and high round pipes that would provide activity with very little expense. New ideas are eagerly sought when such a small group faces such a variety of needs.

The Coopers Grove Mothers' club is the one and only parent organization for work with the school. It is hoped enrollment growth will allow entry in the PTA later. At this time, however, all young parents sending children to this school must work with the Mothers' club to solve school needs. The Mothers' club has been doing remarkably well with its fund-raising projects, as their current bank balance of \$280 proves. This amount is only the beginning of their plan to present a large sum to the school at Christmas time of this year.

New parents moving into the community will be happy to hear the Mothers' club plans include:

- (1) A welcoming tea for introducing teachers and parents.
- (2) A Smorgasboard where families may eat as much as they wish.
- (3) An evening dance, with an orchestra.
- (4) A Christmas festivity at which the club's gift is presented to the school.

Keep Cost Low

Each of these activities can be enjoyed for the modest sum of \$1 for adults and 50c for children. (These are average charges). Such social outings can enrich the lives of all families living in a strange new village, cut off from shopping and towns by several miles in any direction. Outside donations would of course be appreciated, but for those young parents who use the school system, double benefit is found. These social events give needed money to a new school and at the same time provide family outings and friendly meetings.

There will be monthly reports on the progress of this pioneer group. Dates and announcements of special events will be publicized often in this newspaper. The welcoming tea at the Coopers Grove school for parents was held last night (Sept. 11).

Bring your leads, your good will—but most of all your COURAGE!

Scout Leaders To Take Special Training Course

Boy Scout and Explorer leaders from 38 communities of Illinois and Indiana will participate in a September "hoe down" course for leadership training in the Scout outdoor program, to be held by Pokagon Trails council at three district sessions and one council session.

"This is the big out in Scouting," according to Anton J. Marchello of Midlothian, chairman of the council leadership training committee. "Every leader needs this training to make his troop program become a living adventure for the boys in his troop. Credit toward the Scouters' key or award can be earned by attending. Those leaders who have not yet taken the basic Scout leaders course may take the outdoor program now and receive credit after attending the basic course later in the fall."

The Ashkum district session will be Tuesday, September 17, at Sauk Trail school, Park Forest; Peace Pipe district, Wednesday, September 18, Memorial auditorium, Calumet City; and Potawattomi district, Thursday, September 19, Isaak Walton League Club house, Homewood. All advance sessions are at 7:30 p.m.
